# 1 OVERVIEW OF FUNDING OPPORTUNITY

## 1.1 PROGRAM TITLE

Graduate Medical Education Expansion – Unfilled Position Grants ("Unfilled Position Grants")

## 1.2 SYNOPSIS OF PROGRAM

In 2013, the 83rd Texas Legislature created the Unfilled Position Grants Program to increase the number of graduate medical education ("GME") first-year residency positions in the state. The program provides support for existing, eligible residency programs to fill currently approved but unfilled positions.

This Request for Applications ("RFA") is to support eligible GME programs to fill currently accreditor-approved but unfilled first-year positions in residency programs. (Refer to RFA Section 4, Eligibility Information, for complete Applicant eligibility requirements.)

## 1.3 POINT OF CONTACT

Suzanne Pickens
Senior Program Director
Texas Higher Education Coordinating Board
Email: GME-Expansion@THECB.state.tx.us
Phone: 512-427-6240

# 2 AWARD SUMMARY

## 2.1 AVAILABLE FUNDING

Unfilled Position Grants are funded from a General Revenue appropriation in House Bill 1025 of $7,375,000. These funds also support the New and Expanded Program Grants. The Unfilled Position Grants program will provide grant awards ("Grant") to eligible and selected GME programs over the 2014-2015 biennium.

## 2.2 MAXIMUM AWARD AND NUMBER OF SUBMISSIONS

**2.2.1.** *Maximum Award Per Residency Position.* The maximum award for each qualified Unfilled Position is $65,000 for each of Fiscal Years 2014 and 2015.

**2.2.2.** *Maximum Number of Awards.* A maximum of 25 Unfilled Position Grants of $65,000 per position for each of State Fiscal Years (FY) 2014 and 2015, a total of $3,250,000, will be awarded.

**2.2.3.** *Maximum Number Submissions.* Each eligible program may submit only one (1) Application. However, an Applicant may request awards for more than one qualified Unfilled Position.

## 2.3 ALLOCATION OF FUNDING

The funding available to support up to 25 Unfilled Position Grants in FY 2014 will be awarded to selected Applicants based on the number of qualified Unfilled Positions. Awarded Applicants will receive an equivalent grant for FY 2015.

If the number of qualified Unfilled Position Grants applied for exceeds 25, the following criteria for award selection may be applied:

(a) Priority for a portion of awards for qualified Unfilled Positions may be given to medical specialties, such as primary care, having shortages in the state, as determined by THECB.

(b) Priority for a portion of awards for qualified Unfilled Positions may be given to GME programs in medically underserved areas in the state, as determined by THECB.

(c) THECB may limit the number of Unfilled Position Grants awarded to individual Applicants.

If the number of grants awarded is fewer than 25, or if an Applicant selected for an Award fails to certify to THECB that the qualified Unfilled Positions have been filled, funding allocated to support the program in FY 2014 may be carried forward to FY 2015.

## 2.4 COST SHARING OR MATCHING REQUIREMENTS

There is no cost sharing or matching funds requirement. However, Awarded Applicants shall share in the cost of supporting the unfilled position(s).

## 2.5 GRANT FUNDING PERIOD

The Grant Funding Period is from May 1, 2014 to August 31, 2015 ("Grant Period").

## 2.6 CONTRACT TERM

The Contract Term is from contract execution, approximately May 1, 2014, through December 31, 2015.

**2.7 APPLICATION DEADLINE:** October 1, 2013, 5:00 PM C.T.

## 2.8 NOTIFICATION OF AWARD SELECTION

THECB anticipates that Applicants selected to receive Unfilled Position Awards will be notified in January 2014.

# 3 PROGRAM PURPOSE AND AUTHORITY

## 3.1 PURPOSE OF UNFILLED POSTION GRANTS PROGRAM

However, expenditures are not restricted to the actual residents who filled the Unfilled Positions that were the subject of the award, i.e., Unfilled Position Grant funds may be expended on allowable direct resident costs for any of the residents participating in the GME program that receives the Unfilled Position Grant(s).

### 9.2 PROHIBITED COSTS

### 9.3 BUDGET CHANGES

Expenditures greater than approved budgeted amounts are allowable, provided that overall expenditures do not exceed total grant award.

## 10 SELECTION FOR FUNDING

### 10.1 APPLICATION REVIEW

**10.1.1** *Initial Screening.* THECB staff shall review Applications to determine if they adhere to the Grant program requirements and the funding priorities contained in the RFA. An Application must meet the requirements of the RFA and be submitted with proper authorization before or on the day specified by the THECB to qualify for further consideration. It is anticipated that Board staff will notify Applicants eliminated through the screening process within 30 days of the submission deadline.

**10.1.2** *Evaluation.* THECB staff shall evaluate Applications, which must demonstrate that the eligible GME Program has and will fill qualified Unfilled Positions. If THECB receives Applications for more than 25 Unfilled Position Grants, staff may prioritize Applications as described in Section 2.3 of this RFA.

### 10.2 RECOMMENDATION FOR FUNDING

THECB staff shall make a recommendation of selected Applicants to be funded to the Commissioner. The Commissioner shall make the final funding decision and submit it to THECB Board members for their final approval as consistent with THECB Rule 1.16.

## 11 DISTRIBUTION OF AWARD FUNDS

### 11.1 NOTICE OF GRANT AWARD

Following the announcement of awards, the Awarded Applicant's certification to THECB that the funded residency position(s) has been filled, and any negotiations between the THECB and each Awarded Applicant, the Awarded Applicants will receive an electronic copy of THECB's Unfilled Position Grants Program Notice of Grant Award (NOGA, Appendix B), which will take effect on the day the NOGA is

executed. Throughout this RFA, the terms NOGA, "Contract", and "Grant" are used interchangeably.

### 11.2 FUNDS DISTRIBUTION

**11.2.1** Unfilled Position Grants are funded through state general appropriations as provided in House Bill 1025. Funding of $65,000 per Unfilled Position for up to 25 Unfilled Positions for FY 2014 is available. Awarded Applicants will receive an equivalent grant for FY 2015. THECB will disburse funding for both years of the two-year grant period upon 1) verification that the residency positions have been filled for the academic year commencing July 2014, and 2) upon execution of the NOGA.

**11.2.2** THECB is not bound by any award estimates in the RFA. Funding may be reduced or terminated if funds allocated to THECB for either of the two years of this program should become reduced, depleted, or unavailable during the Contract Term. As consistent with the Uniform Grant Management Standards ("UGMS"), after making a finding that an Awarded Applicant has failed to perform or failed to conform to Grant Conditions, THECB may retract or reduce the Grant Amount for the Awarded Applicant.

**11.2.3** Awarded Applicant shall not expend awarded funds until the NOGA has been fully executed. (See also Section 9, Use of Award Funds.)

### 11.3 LAST DAY OF EXPENDITURES

**11.3.1** Unfilled Positions award funding must be expended by August 31, 2015.

**11.3.2** *No-Cost Extension of Grant Period*. A one-time, no-cost extension of the Grant Period may be granted if the GME program is in good standing with all reporting requirements. A no-cost extension requires a Contract amendment.

### 11.4 RETURN OF UNEXPENDED FUNDS

Grantee institutions shall return any unexpended funds at the end of the Grant Funding Period.

## 12 REPORTING REQUIREMENTS

The Program Director for each funded program must electronically submit the reports listed in Sections 12.1 – 12.3 below.

### 12.1 ANNUAL PROGRAM REPORT

By October 1 following each year the Grant is active, an Annual Program Report shall be submitted electronically, via a secure server, to the Division of Workforce, Academic Affairs and Research of THECB in a format specified by THECB. The report will include, but may not be limited to, an *Annual Roster of Residents*. The roster will include the following data for each resident funded by an Unfilled Position

Grant as of September 1: name, social security number, physician license number, medical school, gender and race/ethnicity. The Annual Program Report must be certified by the Program Director.

The Annual Program Report submitted in October 2015 must also document that residents filling positions funded by Unfilled Position Grants in the first year of the two-year grant funding period continued in the program during the second year of the two-year grant funding period.

### 12.2 FINANCIAL REPORT

No later than December 31 after each fiscal year the Grant is active, a Financial Report shall be submitted electronically to the Division of Workforce, Academic Affairs and Research of THECB in a format specified by THECB. The Financial Report must detail the actual expenditures for the preceding fiscal year by purpose and amount. The report must also document the unexpended balance of Unfilled Position Grants program funds as of August 31, the end of the previous fiscal year. The Financial Report must be certified by the Program Director.

### 12.3 FINAL FINANCIAL REPORT

No later than December 31 after the last fiscal year the Grant is active, a Final Financial Report shall be submitted electronically to the Division of Workforce, Academic Affairs and Research of THECB. The Final Financial Report must 1) adhere to the requirements for the Financial Report described in Subsection 12.2 and 2) include an additional statement certifying expenditures and unexpended balance signed by the authorized institutional representative.

### 12.4 DELINQUENT REPORTS

GME programs with any required reports deemed to be delinquent may be ineligible to participate in future funding cycles.

## 13 PROVISIONS AND ASSURANCES

### 13.1 COST OF APPLICATION PREPARATION

All costs associated with the preparation and submission of an Application for this RFA are the responsibility of Applicant. These costs shall not be chargeable to THECB by any successful or unsuccessful Applicant.

### 13.2 APPLICATION DELIVERY AND LATE APPLICATIONS

**13.2.1** Applications must be submitted by an authorized agent of the Applicant.

**13.2.2** Applications shall be considered to be "on time" if they are received on or before the date and time of established deadlines. Applicant shall be solely responsible for ensuring that Application is received by THECB prior to the deadlines

outlined in Section 2. THECB shall not be responsible for failure of electrical or mechanical equipment, operator error, or inability of an electronic delivery agent to deliver an Application prior to the deadline. Failure to respond in a timely manner to this RFA shall result in Applicant losing the opportunity to receive a Grant under this program. A late Application, regardless of circumstances, shall not be evaluated or considered for award.

## 13.3 CONFLICT OF INTEREST

Applicants must disclose any existing or potential conflicts of interest relative to the performance of the requirements of this RFA. Failure to disclose a conflict of interest may be cause for disqualification of an Application or termination of a Contract resulting from this RFA. If, following a review of this information, it is determined by THECB that a conflict of interest exists, Applicants may be disqualified from further consideration.

## 13.4 CONTRACT

**13.4.1** Submission of an Application confers no rights of Applicant to an award or to a subsequent Contract, if there is one. The issuance of this RFA does not guarantee that a Contract will ever be awarded. THECB reserves the right to amend the terms and provisions of the RFA, negotiate with Applicant, add, delete, or modify the Contract and/or the terms of Application submitted, extend the deadline for submission of Application, or withdraw the RFA entirely for any reason solely at THECB's discretion. An individual Application may be rejected if it fails to meet any requirement of this RFA. THECB may seek clarification and additional documentation from Applicant at any time, and failure to respond within a reasonable time frame is cause for rejection of an Application.

**13.4.2** Upon execution of a Contract resulting from this RFA, the term 'Applicant' shall have the same meaning as 'Awarded Applicant' or 'Grantee'. Likewise, the terms 'Request for Applications' and 'Application' shall have the same meaning as the terms 'Contract.'

## 13.5 PROPRIETARY INFORMATION

During the performance of a project implemented under a Contract resulting from this RFA, Awarded Applicant may have access to data, information, files, and/or materials (collectively referred to as "data"), which are the property of THECB. These data shall be handled in a method that concurs with the Family Educational Rights and Privacy Act (FERPA) regulations and guidelines.

Applicant agrees to comply with FERPA, 20 U.S.C. Section 1232g, and the implementing federal regulations, 34 CFR Part 99. Applicant agrees (1) to protect any confidential student information it receives or accesses that could make a student's identity traceable, and (2) any confidential data analysis or report shall not be disclosed to any third party without THECB's prior written consent.

Awarded Applicant shall have a system in effect to protect all data received or maintained in connection with the activities of this RFA. Awarded Applicant agrees to use its best efforts to preserve the safety, security, and integrity of the data, and to ensure the privacy and confidentiality of all data. Any disclosure or transfer of proprietary information by Awarded Applicant shall be in accordance with applicable federal or Texas law.

## 13.6 RELEASE OF INFORMATION BY AWARDED APPLICANT

**13.6.1** Awarded Applicant shall not release any data that is not FERPA compliant. Failure to follow the guidelines established may result in immediate termination of the Contract.

**13.6.2** Awarded Applicant agrees to notify THECB Point of Contact of any information released to the news media regarding the activities being conducted under any Contract resulting from this RFA.

## 13.7 RELEASE OF APPLICATION INFORMATION BY THECB

**13.7.1** *Public Information Act.* Awarded Applicant understands and acknowledges that as a Texas state agency, THECB is subject to the provisions of the Texas Public Information Act, Government Code, Chapter 552 as interpreted by judicial opinions and the opinion of the Attorney General of the state of Texas. Awarded Applicant will cooperate with THECB in the production of documents responsive to any such requests under the Public Information Act. THECB will make a determination whether to submit a Public Information Act request to the Attorney General.

**13.7.2 All** submitted Applications become the property of THECB after the RFA submittal deadline date. Upon acceptance of the Contract, all information submitted with Applicant's Application becomes public record and all information submitted with Awarded Applicant's Application becomes part of the Contract. Therefore, such information is subject to disclosure under the Texas Public Information Act, unless an exception under the Texas Public Information Act is applicable.

**13.7.3** Any proprietary information included in Applicant's Application shall be subject to disclosure unless such proprietary information was clearly identified by Applicant, and such identification was submitted concurrently with the original submission of the proprietary information. Such identification of proprietary information shall be clearly marked in the Application at each page it appears. Such markings shall be in **boldface** type at least 14 point font. Additionally, Applicant shall state the specific reason(s) an exception from the Texas Public Information Act is being claimed concurrently with the original submission of the proprietary information.

**13.7.4** If Awarded Applicant fails to clearly identify proprietary information with the original submission of the proprietary information, then those Sections will be deemed non-proprietary and made available upon public request after the Contract

is awarded. The production of any material under the Contract shall not have the effect of violating or causing THECB to violate any law, including the Texas Public Information Act.

## 13.8 AMENDMENT AND TERMINATION

**13.8.1** *Amendment.* Any amendment or change to the Grant which becomes necessary shall be accomplished by a formal Contract amendment signed and approved by duly authorized representatives of Awarded Applicant and THECB. None of the parties to the Contract will be bound by any oral statements, agreements, or representations contrary to the written Contract requirements and terms and conditions.

**13.8.2** *THECB Right to Terminate for Cause:* As consistent with applicable law, THECB may terminate the Contract, in whole or in part, immediately upon notice to Awarded Applicant, or at such later date as THECB may establish in such notice, upon the occurrence of any material breach, including, but not necessarily limited to, non-compliance with requirements and assurances outlined in the RFA or its Section 13 "Provisions and Assurances," failure to provide accurate, timely, and complete information as required by THECB to evaluate the effectiveness of the Unfilled Position Grants Program, or a failure to perform any of the work under the Contract to THECB's satisfaction within the time specified herein or any extension thereof. Any instance of non-compliance shall constitute a material breach. THECB may, in its sole discretion, provide Awarded Applicant with an opportunity for consultation with THECB prior to termination. If Awarded Applicant fails or refuses to perform its obligations under the Contract, THECB may exercise any and all rights as may be available to it by law or in equity.

**13.8.3** *Interpretation.* As consistent with applicable law, the Contract may be terminated in the event that federal or state laws or other requirements or a judicial interpretation renders continued fulfillment of the Contract on the part of either party unreasonable or impossible. If the parties hereto should be unable to agree upon amendment which would thereafter be needed to enable the substantial continuation of the services contemplated herein, then, upon written notification by THECB to Awarded Applicant, the parties shall be discharged from any further obligations created under the terms of the Contract, except for the equitable settlement of the respective accrued interests or obligations incurred up to the date of termination. THECB reserves the right, at its sole discretion, to unilaterally amend the Contract throughout the Contract Term to incorporate any modifications necessary for THECB's compliance, as an agency of the state of Texas, with all applicable state and federal laws, rules, regulations, requirements, and guidelines.

**13.8.4** *Termination for Convenience.* As consistent with applicable law, THECB may terminate the Contract, either in whole or in part, with a sixty (60) day written notice.

**13.8.5** *Effect of Termination.* As consistent with applicable law, Upon receipt of written notice to terminate, Awarded Applicant shall promptly discontinue all

Services affected (unless the notice directs otherwise), refund partially or fully all Grant proceeds in accordance with written notice, and shall deliver or otherwise make available to THECB, a summary of work products developed by Awarded Applicant under the Contract, whether completed or in process. Upon any termination, all indemnities, including without limitation those set forth in the Contract, as well as Contract provisions regarding confidentiality, records retention, right to audit, and dispute resolution, shall survive the termination of the Contract for any reason whatsoever and shall remain in full force and effect. THECB shall be liable to Awarded Applicant for that portion of the Services authorized by THECB and which have been completed prior to the effective date of termination, provided that THECB shall not be liable for any work performed that is not acceptable to THECB and/or does not meet Contract requirements.

**13.8.6** In the event of termination, THECB reserves the right to negotiate a Contract based on another Applicant's submission if it is in the state's best interest.

## 13.9 NOTICE

Any notice or written communication between the parties shall be considered delivered when postmarked, except that such notice or written communications sent by certified mail, return receipt requested, or delivered in person to the authorized representative of the party designated in accordance with the Contract shall be considered to be delivered when received.

## 13.10 ASSIGNMENT OR SUBCONTRACTING

No rights, interest, or obligations in a Contract resulting from this RFA shall be assigned, delegated, or subcontracted by Awarded Applicant without prior written permission of THECB Point of Contact at THECB. Any attempted assignment, delegation, or subcontract by Awarded Applicant shall be wholly void and totally ineffective for all purposes unless made in conformity with this Paragraph. No delegation, assignment, or subcontract shall relieve Awarded Applicant of any responsibility under this RFA.

## 13.11 LIABILITY AND INDEMNIFICATION

### 13.11.1 LIABILITY

**13.11.1.1** Neither THECB's review, approval, or acceptance of, nor payment for any of the services provided hereunder shall be construed to operate as a waiver of any rights under the Contract, or of any cause of action arising out of the performance of the work required by the Contract.

**13.11.1.2** THECB shall have no liability except as specifically provided by law.

**13.11.1.3** *Sovereign Immunity.* THECB and Awarded Applicant stipulate and agree that no provision of, or any part of the Contract between THECB and Awarded Applicant, or any subsequent change order, amendment, or other

Contract modification shall be construed: (1) as a waiver of the doctrine of sovereign immunity or immunity from suit as provided for in the Texas Constitution and the Laws of the State of Texas; (2) to extend liability to THECB or any other state entity beyond such liability provided for in the Texas Constitution and the Laws of the State of Texas; or (3) as a waiver of any immunity provided by the 11th Amendment or any other provision of the United States Constitution or any immunity recognized by the Courts and the laws of the United States.

### 13.11.2 INDEMNIFICATION (ONLY APPLICABLE TO PRIVATE ENTITIES)

**13.11.2.1** To the extent allowed by law, Awarded Applicant agrees to indemnify, defend and hold harmless the State of Texas, THECB, as well as officers, agents, and employees of THECB from any liability, for any and all claims, demands, fees, suits or actions of any nature whatsoever, including but not limited to personal injury or illness, bodily injury (including death) and property damage occurring in connection with or in any way incident to or arising out of the use, service, operation or performance of work under the terms of the Contract, except claims, demands, fees, suits or actions arising from any negligence by THECB, its officers, agents, employees, contractor, subcontractors or any negligence of a third party, its (their) officers, agents, employees, contractors, subcontractors. Awarded Applicant shall coordinate its defense with the Texas Attorney General as requested by THECB.

**13.11.2.2** Additionally, if Awarded Applicant requires or desires to use any design, trademark, device, material or process covered by letters of patent or copyright, Awarded Applicant shall indemnify, defend and hold harmless, to the extent allowed by law, the State of Texas, THECB, as well as officers, agents, and employees of THECB, from any liability, for any and all claims, demands, fees, suits or actions of any nature whatsoever, from any and all claims for infringement by reason of the use of any such patented design, device, trademark, copyright, material or process in connection with the work agreed to be performed and shall indemnify (to the extent allowed by law) the State of Texas, THECB, as well as officers, agents, and employees of THECB, from any cost, expense, royalty or damage which the State of Texas, THECB, as well as officers, agents, and employees of THECB may be obligated to pay by reason of any infringement at any time during the performance of or after completion of the work. Awarded Applicant represents and warrants that it has determined what licenses, patents and permits are required under the Contract and has lawfully acquired all such licenses, patents, and permits.

**13.11.2.3** Notwithstanding any indemnification clause, THECB shall have full authority to conduct its own defense, negotiations, and settlements, but Awarded Applicant's indemnification nevertheless remains in full force and effect.

Any settlement shall only be reimbursable by Awarded Applicant if Awarded Applicant approves such settlement in advance, and any liability upon unsuccessful defense shall only be reimbursable by Awarded Applicant if Awarded Applicant has full opportunity to participate equally in the defense of the action.

## 13.12 SEVERABILITY AND STRICT PERFORMANCE

The invalidity, illegality, or unenforceability of any provisions of the Contract shall in no way affect the validity, legality, or enforceability of any other provisions.

Failure by THECB or Awarded Applicant at any time to require strict performance of any contractual provision or obligation contained herein shall not constitute a waiver or diminish the rights of either party thereafter to demand strict compliance. THECB's review, approval, acceptance of, or payment for any of the services provided in the Contract shall not be construed to operate as a waiver of any of its rights under the Contract, or of any cause of action arising out of the performance of the services required by the Contract.

THECB shall negotiate efforts as first consideration and if such efforts fail, then THECB shall immediately provide written notification to the Awarded Applicant of such fact and the Contract shall be deemed terminated upon receipt of the notification, and neither party shall have any further rights or obligations hereunder. Awarded Applicant shall not incur new obligations after the effective date of termination and shall cancel as many outstanding obligations as reasonably practicable. THECB shall be liable for costs
