Dear Ms. Mathew,

The Texas Higher Education Coordinating Board (THECB) has conducted a desk review of the referenced (a) subaward, and you will find attached for your review and comment the final report of that monitoring effort, with no areas of testing requiring follow-up from your institution.

Your response via email is requested within fifteen (15) business days of receipt of this letter to: (a) confirm receipt of the THECB's desk review monitoring report; and, (b) provide a follow-up response and any additional comments relevant to the monitoring activities.

In addition, please be advised that in the interest of increased transparency under ARRA, the U.S. Department of Education has requested that the THECB post all monitoring reports and management responses to its ARRA grants program website.

The THECB sincerely appreciates the opportunity to work with your staff in this endeavor and the commitment your institution has made to ensure this ARRA project has met its requirements of accountability and transparency. N	1. **Does the subrecipient have an A-133 Audit on file that is free of any significant deficiencies?** Search the Federal Audit Clearinghouse to determine availability of latest information for community colleges at http://harvester.census.gov/sac/, or the SAO Federal Portion of the Statewide Single Audit Report for universities and state agencies at http://www.sao.state.tx.us/Reports/report.cfm/report/10-339. Desk Review Comments and Approvals

Date of Review	Initial THECB Reviewer
2/2/2011	Johnnie Johnson
Item #	**Comments/Observations**
1	A review of the A-133 filing certification indicated significant deficiencies. A Copy of the State of Texas filing certification for fiscal period ending 08/31/2009 is on file.
2	Copies of findings noted, Management Responses and Corrective Action Plans from the Federal Portion of the State wide audit for fiscal period ending 08/31/2009, are on file.
3	The entire award amount was budgeted toward equipment. Selected four of the nine year-to-date Reimbursement Requests submitted and paid. Reviewed the supporting documentation previously submitted by the subrecipient for the months of July through October of 2010. To complete the capital equipment and controlled assets testing, additional documentation was requested from the subrecipient. Documentation submitted by the subrecipient verified proof of receipt and payment for all items in the sample. In addition, the documentation indicated compliance with State of Texas bid requirements. Inventory documentation submitted by the subrecipient verified that ARRA funded capital equipment purchases and controlled assets, as reported by the subrecipient, were documented on the institution's inventory list and designated as ARRA purchases. Electronic copies of the purchase documentation and the inventory report are on file.
4	There was no request for salaries and no jobs data was reported to THECB.
5	Based on the budget information in the ARRA Financial Tracker, the approved budget plan was followed and the project expenditures were not over or under the 10% requirement. There was no indication of a budget modification required.
6	Conducted a review of four Reimbursement Requests representing approximately 50% of the year-to-date requests submitted and paid. No significant issues were found regarding quality of data or a necessity for additional information.
