

Tarleton State University Transfer Articulation Policy

Credits earned at another regional accredited institution are accepted as recorded on the official transcript. However, because of differences in institutional degree requirements and course content, some credits transferred may not apply toward satisfying degree requirements at Tarleton. A maximum of 68 semester hours of academic credit will be accepted for degree credit from a two-year institution. For course exclusions based on the achievement of a higher grade, please contact Transfer Services at 254-968-9353.

Beginning Spring 2004, all grades including F's, for all academic credit courses will be articulated to the Tarleton transcript. Remedial/developmental courses will not be entered and will not be used in the admissions decision. When a course has been repeated at the same institution only the best effort will be transcribed. Only those transferred hours that have been transcribed will be used to determine admissions eligibility.

Courses that are vocational or technical in nature are not automatically accepted by Tarleton State University. These courses must be approved by the appropriate academic departments and resubmitted for articulation to Enrollment Management. Students with a significant number of hours in a technical field and who wish to use those hours toward a Tarleton degree should consider the Bachelor of Applied Arts and Sciences, Bachelor of Science Applied Science, Bachelor of Technology, or similar degree programs. Such students are expected to meet current admissions rules and may wish to contact Advising Services or departmental offices for further information.
