Notes:

1. Texas Common Course Numbers are used for all TCCN-numbered courses.

2. Some mechanical engineering programs require Chemistry II in addition to Chemistry I. The student is advised to check with the school to which he or she intends to transfer for specific requirements.

3. Some mechanical engineering programs will accept the course ENGR 1201 for transfer credit and as applicable to the engineering major, while others will accept the course for transfer credit only. The student is advised to check with the school to which he or she intends to transfer for specific applicability of this course to the engineering major.

4. Mechanical engineering programs will accept the course COSC 1436/1336 in place of ENGR 2304.
