*Only renewal students would be covered at this funding level; previous estimates showed 50,900 students would be served based on these funding levels. Based on actual awards in FY 11, the revised estimated number of renewal students that can be served at this funding level is 44,200.

** A total of 188 awards can be made. However, in FY11, only 80 awards were made as of Apr. 2011 due a limited pool of students.
