TOWARD EXCELLENCE, ACCESS AND SUCCESS GRANT

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.225)

The Toward EXcellence, Access, & Success (TEXAS) Grant program is authorized by TEC Chapter 56, Section 56.302 Subchapter M. Rules establishing procedures to administer the program can be found in Title 19 of the TAC, Chapter 22, Subchapter L. The program is funded by appropriations authorized by the Texas Legislature and from various revenue sources and gifts to the program. The purpose of the TEXAS Grant program is to provide financial aid assistance to enable eligible students to attend public institutions of higher education in this state.

STATE PRIORITY DEADLINE (TEC, SECTION 56.008 AND 19 TAC, SECTION 22.6 – Formerly: 19 TAC, 21.10)

The THECB provides a uniform priority deadline for applications that qualify for financial assistance in an academic year. General Academic Teaching Institutions (GATIs) in Texas must publicize and use March 15 as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. All other public institutions are encouraged to use this state priority deadline. Institutions may define how their students must meet the priority deadline. Institutions are encouraged to adopt a policy and procedure to ensure students are awarded consistently for this program.

ALERT NEW: Beginning with the 2019-20 academic year and all years thereafter, all GATIs in Texas must publicize and use January 15 as the state priority deadline.

NOTE: The 2019-20 Free Application for Federal Student Aid (FAFSA) and Texas Application for State Financial Aid (TASFA) will use January 15, 2019 as the state priority deadline date.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.227)

With the exception of public state colleges, GATIs and Health-Related Institutions (HRIs) are eligible to make both initial year (IY) and renewal year (RY) awards from a single allocation. Community colleges, public state colleges, and public technical institutes may only issue an RY awards to students who received an IY award prior to fall 2014 through a community college, public state college, or public technical institute.
ELIGIBILITY

INITIAL ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.228)

TO RECEIVE AN IY AWARD, A STUDENT MUST:

✓ Be classified by the institution as a Texas resident
✓ Be registered with Selective Service, or be exempt
✓ Have applied for any available financial aid assistance
✓ Have financial need
✓ Have a 9-month expected family contribution (EFC) of no more than $5,609
✓ Be enrolled at least 3/4 time
✓ Not have earned a baccalaureate degree
✓ Be enrolled in a baccalaureate degree program at a public 4-year or HRI institution as a first-time undergraduate and qualify through one of the following four pathways:
  • High School Graduation Pathway: Graduation from an accredited public or private high school* in Texas and enrollment at an approved institution within 16 months after high school graduation. The student must not have accumulated more than 30 semester credit hours (SCHs) (excluding credits for dual enrollment or by examination); OR
  • Associate Degree Pathway: Enrollment in an eligible institution within 12 months after earning an associate degree from a public or private nonprofit Texas institution of higher education; OR
  • Honorable Military Discharge Pathway: Enrollment in an eligible institution of higher education within 12 months after being honorably discharged from military service. Enlistment in the military must have occurred within 12 months after graduation from an accredited public or private high school in Texas on May 1, 2013 or later; OR
  • TEOG Transfer Pathway: Completion of at least 24 SCHs with a minimum 2.5 GPA after receiving an IY Texas Educational Opportunity Grant (TEOG) in Fall 2014 or later and transferring to an eligible institution with a minimum 2.5 GPA.
✓ Not have been convicted of a felony or crime involving a controlled substance or under the law of any jurisdiction involving a controlled substance as defined by Chapter 481, Health and Safety Code (Texas Controlled Substances Act)

*To determine eligibility for a student that graduated from a private high school in Texas, the institution of higher education must receive a certification form from the private high school. This form verifies that the student completed the equivalent of the required high school curriculum. The private high school certification form is located on the THECB’s website.

HIGH SCHOOL RECIPIENT

Home-schooled students are not eligible for an initial award though the High School Graduation Pathway. Only students who graduated from an accredited public or private high school* in Texas are eligible for TEXAS Grant consideration as an initial applicant.

INITIAL RECIPIENT

If an initial TEXAS Grant recipient is paid funds but is later selected for verification (or voluntarily submits documentation) resulting in a new EFC that exceeds the maximum ($5,609) requirement, the award must be cancelled. Funds should be awarded to another eligible student when possible.

TRANSFER STUDENTS

A student who is eligible through either the Associate Degree or TEOG Transfer Pathway does not need to have his or her high school transcripts evaluated, but cannot receive priority consideration for an initial TEXAS Grant award.
RENEWAL ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.228)

TO RECEIVE AN RY AWARD, A STUDENT MUST:

- Be classified by the institution as a Texas resident
- Be registered with Selective Service, or be exempt
- Have financial need
- Be enrolled at least 3/4 time
- Maintain satisfactory academic progress
- Not have earned a baccalaureate degree
- Be a prior recipient of a TEXAS Grant award who is an undergraduate enrolled at a public institution who qualifies through one of the following three pathways:
  - Is enrolled as an undergraduate at a public 2-year institution and previously received a TEXAS Grant IY award prior to fall 2014 at a public 2-year institution; OR
  - Is enrolled as an undergraduate in a baccalaureate program at a public 4-year institution or HRI and previously received a TEXAS Grant IY award prior to fall 2014 at a public 2-year institution, 4-year public institution, or HRI; OR
  - Is enrolled as an undergraduate in a baccalaureate program at a public 4-year institution or HRI and received a TEXAS Grant IY award in fall 2014 or later.
- Not have been convicted of a felony or crime involving a controlled substance or under the law of any jurisdiction involving a controlled substance as defined by Chapter 481, Health and Safety Code (Texas Controlled Substances Act)

NEED ELIGIBILITY

If the student receives assistance that was not considered when determining the calculated need and the resulting sum of the assistance causes the student’s need to be exceeded, the TEXAS Grant award must be adjusted if the sum of the excess resources is greater than $300.

GRADUATE HOURS

An undergraduate student who is enrolled in both graduate and undergraduate hours is eligible for a TEXAS Grant award if all other eligibility requirements are met and the combined number of hours meets the 3/4 time enrollment condition.
**SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)**

**¡ALERT NEW: STUDENT COMPLIANCE WITH SELECTIVE SERVICE**

A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual's selective service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (See TEC, 51.9095).

Typically, a student’s selective service status is confirmed through the online FAFSA process which validates registration directly with the Selective Service Administration. If a student’s selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

The statement below must be collected for all male applicants, each academic year, in the following situations:

- A FAFSA that is flagged “not registered” must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.

- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

**NOTE:** The institution has discretion to determine how to collect this required statement, which can be done electronically or on paper (e.g. online form, signed award letter, etc.). The statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

---

**Required Statement of Selective Service Status**

Are you currently registered for Selective Service, as required by federal law?

- [ ] Registered (Proof of registration required)
- [ ] Not Registered
- [ ] Exempt (Documentation required)

I, __________________, hereby certify that the selective service status provided is true and correct. I understand that I must provide documentation if requested by my institution that I may be required to complete a new statement for each academic year for continued eligibility.

CONTROLLED SUBSTANCE RESTRICTIONS (19 TAC, SECTION 22.230)

A person is not eligible to receive an IY or RY TEXAS Grant if the person has been convicted of a felony or an offense under Chapter 481, Health and Safety Code (Texas Controlled Substances Act), or under the law of any other jurisdiction involving a controlled substance as defined by Chapter 481, Health and Safety Code, unless the person has met the other applicable eligibility requirements under this subchapter and has:

1. Received a certificate of discharge by the Texas Department of Criminal Justice or a correctional facility or completed a period of probation ordered by a court, and at least two years have elapsed from the date of the receipt or completion; or
2. The student has been pardoned or the record of the offense has been expunged from the student’s record and therefore the student has been released from the resulting ineligibility to receive a TEXAS Grant.

Institutions are required to collect a statement (electronic or paper) from each TEXAS Grant recipient prior to the disbursement of funds confirming eligibility in regard to the controlled substance restrictions of the program. This statement must be retained with the student’s records at the institution and be made available if requested in the course of a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

As long as a statement can be produced to prove a recipient’s eligibility for a given award period, the institution has the flexibility to determine the wording of the statement and the frequency with which it is collected. The institution can require all TEXAS Grant recipients to complete the statement every year they receive a TEXAS Grant award. The institution can also choose to collect the statement at least once from each TEXAS Grant recipient at the institution and word the statement in such a way to indicate that by signing, the student agrees that it is his/her responsibility to inform the institution if his/her status changes in the future. By choosing the second option, the institution can limit the statement required each year to initial or incoming recipients at the institution.

A sample statement is being provided:

---

**Statement of Student Eligibility**

Have you ever been convicted of a felony or an offense under Chapter 481, Health and Safety Code (Texas Controlled Substances Act), or under the law of another jurisdiction involving a controlled substance as defined by Chapter 481, Health and Safety Code?

___ Yes* ___ No**

* If your answer is yes, contact the financial aid office to determine your eligibility to receive a TEXAS Grant.
** If your answer is no, it is your responsibility to inform the financial aid office if this status changes at any time while attending the institution.

I hereby certify that the information I have provided in this statement is true and correct. I understand that if I fail to provide accurate information, I may be required to reimburse the institution and penalties may be imposed. I also understand that it is my responsibility to inform the financial aid office if my status concerning this statement of eligibility changes at any time while attending this institution.

DISCONTINUATION OF ELIGIBILITY (19 TAC, SECTION 22.230)

**Attempted hours** is defined as every course in every semester for which a student has been registered as of the official census date. This includes, but is not limited to, repeated courses, courses the student drops, or those from which the student withdraws. Transfer hours and hours for optional internship and cooperative education courses are included if they are accepted by the receiving institution as counting towards the student’s current program of study (See 19 TAC, Section 22.230).

HARDSHIP PROVISIONS (19 TAC, SECTION 22.231)

A student who is ineligible for a TEXAS Grant based on the requirements for the grade point average (GPA), number of completed hours, or total hours enrolled may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

⚠️ STOP: A prorated award may be issued to a student who is enrolled in six to eight hours in the last semester of his or her degree program. However, no student enrolled for fewer than six hours may receive a TEXAS Grant award, regardless of the circumstances including graduation.
Satisfactory Academic Progress (SAP) (19 TAC, Section 22.229)

At the end of the first academic year, a student must meet SAP requirements set by the institution to be eligible for a first RY award.

At the end of the second academic year, and all subsequent years, a student must have completed 24 SCHs and have a minimum 2.5 cumulative GPA.

The chart below reflects these requirements, which must be monitored to ensure compliance:

Awarding

⚠️ ALERT NEW: Elimination of Reallocation Process

Beginning in the 2018-19 award year, institutions will now have until the close of business on August 1 (or the first working day thereafter if it falls on a weekend or holiday) to request program funds. The prior process in February will no longer be used to reallocate grant funding.

Each biennium*, funds not requested in the first year can be rolled-over for use in the second. However, funds for the second year of the biennium cannot be requested in advance during the first. Any funds not requested in the second year of the biennium become available for grant processing determined by the THECB.

*A biennium is defined as a two-year period designated to spend appropriated funds by the Legislature to be allocated to the institutions.

If allocated funds are insufficient to award all eligible students, first priority must be given to students who are eligible for an RY award (See 19 TAC, Section 22.232).

After all eligible RY awards have been funded; remaining allocations should be awarded to IY students in a manner that acknowledges the Priority Model and priority deadline expectations:

- Students meeting the Priority Model requirements who also meet the March 15 state priority deadline should be awarded first.
- If funding remains, the next students to be awarded are those who met the March 15 state priority deadline, but who did not meet the Priority Model requirements.
- The balance of remaining funding can be awarded to any eligible student.

In determining who should receive an IY TEXAS Grant award, an institution must give highest priority to students who demonstrate the greatest financial need at the time the award is made (See 19 TAC, Section 22.233).

GPA Appeals

A student who does not meet the GPA requirement at the end of a spring term may appeal to have courses taken at other institutions included in the GPA calculation. In this case, all grade points previously earned must be included in the overall GPA calculation.

First Year Appeals

If a student completes the first year on academic warning, probation, or on an approved plan, the student can be considered meeting SAP, if the institution’s policy includes such provisions. However, at the end of the second year, the student must meet the program SAP requirements for continued eligibility.

Failing Courses

The intent of the 24 SCH requirement is to encourage timely progression towards a degree. Since a grade of F is not earned toward a degree, it should not be considered when calculating the student completed hours.
Institutions are encouraged to use the target award amounts to assist as many students as possible.

### PRIORITY AWARD MODEL REQUIREMENTS (19 TAC, SECTION 22.228)

To receive priority consideration for an IY award through the TEXAS Grant program, an eligible student must meet at least one high school graduation requirement in at least two of the following four areas:

<table>
<thead>
<tr>
<th>AREA</th>
<th>HIGH SCHOOL GRADUATION REQUIREMENTS</th>
</tr>
</thead>
</table>
| ADVANCED ACADEMIC PROGRAM          | • 12 Hours of College Credit (Dual Credit or AP Courses),

                                        • Complete the International Baccalaureate (IB) Program |
| TSI READINESS                       | • Meet the Texas Success Initiatives (TSI) assessment thresholds or qualify for an exemption |
| CLASS STANDING                      | • Graduate in the top 1/3 of the HS graduating class  
                                        • Graduate with a GPA of at least 3.0 on a 4-point scale or the equivalent |
| ADVANCED MATH                       | • Complete at least one math course beyond Algebra II  
                                        • Complete at least one advanced career and technical or technical applications course, as determined by the Texas Education Agency (TEA) |

### PRIORITY

There is no hierarchy within the priority model areas. However, there is a priority deadline of March 15th. Institutions are required to give priority for IY TEXAS Grant funds to students meeting the priority model requirements and the priority deadline. If funds remain after all eligible priority students meeting the priority deadline have been awarded, the balance of funds can go to students meeting the basic requirements.

### MATCHING

A student who is a recipient of both a TEXAS Grant and Exemption/Waiver, owes a decreased amount of tuition and fees. Institutions are required to cover, with matching funds, only the balance of tuition and fees not covered by TEXAS Grant.

For example:

An institution would not be required to provide matching funds in excess of the TEXAS Grant award for a student who is exempt from the total cost of tuition and fees.
REQUIRED MATCHING *(19 TAC, SECTION 22.234)*

Institutions are required to cover any tuition and required fees that are not covered by the amount of the TEXAS Grant using other funds, which may include any non-loan program funds awarded to the student from federal, state, institutional, or outside sources. Funds used for this purpose are frequently referred to as “matching funds”.

| ALERT NEW: A Required Fee, for the purpose of administering the TEXAS Grant Program, includes mandatory fees (required by statute) or discretionary fees (authorized by statute, imposed by the governing board of an institution) and fees that an institution charges to a student as a condition of enrollment at the institution or in a specific course. |

OVER AWARDS *(19 TAC, SECTION 22.234)*

If an award has been disbursed and a student receives other assistance that exceeds the student’s financial need, the institution is not required to adjust the award unless the sum of the excess resources is greater than $300.

LATE DISBURSEMENTS *(19 TAC, SECTION 22.235)*

Funds that are disbursed after the end of a student’s period of enrollment must be used either to pay the student’s outstanding balance for the period of enrollment, or to make a payment on an outstanding loan received during that period of enrollment. Under no circumstances should funds be released directly to the student in this situation.

PRORATION *(19 TAC, SECTION 22.234)*

Award amounts must be prorated under the following circumstances:

- Student is enrolled less than 3/4 time, but at least 1/2 time, with an extension of eligibility (due to a hardship circumstance).

- The balance of either total attempted hours or eligible program hours while receiving grant funds is less than the total number of hours the student is enrolled.

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

When requesting funds, institutions must submit a Funds Request Form (FRF). This form is available through the secure Coordinating Board Pass System (CBPASS) portal on the Student Financial Aid Programs Information Webpage.

RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.

STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account
- Institutions have 6 business days after receiving the funds to return undisbursed funds
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award

AUTHORITY TO TRANSFER FUNDS (19 TAC, SECTION 22.239)

ALERT: Institutions participating in TEXAS Grant and Texas College Work-Study (TCWS) may transfer up to 10% of the institution’s total annual program allocation or $20,000 (whichever is less) between programs within the relevant fiscal year. Institutions requesting a transfer between programs must submit an Authority to Transfer Form by January 18.

If the institution transfers TEXAS Grant funds to TCWS, the transferred TCWS funds must be encumbered by February 20.

If funds are being transferred from TCWS to TEXAS Grant, the institutions must first return the TCWS funds to the THECB by January 18 but will have until August 1 to request the transferred funds.

TEXAS EDUCATIONAL OPPORTUNITY GRANT

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.253)

The Texas Educational Opportunity Grant (TEOG) program is authorized by TEC, Chapter 56, Section 56.402. Rules establishing procedures to administer the program can be found in Title 19 of the TAC, Chapter 22, Subchapter M. The program is funded by appropriations authorized by the Texas Legislature. The purpose of the TEOG program is to provide financial aid assistance to enable eligible students to attend two-year public institutions of higher education in Texas.

STATE PRIORITY DEADLINE (TEC, SECTION 56.008 AND 19 TAC, SECTION 22.6 – Formerly: 19 TAC, 21.10)

The THECB provides a uniform priority deadline for applications that qualify for financial assistance in an academic year. Institutions eligible to participate in the TEOG program are encouraged to publicize and use the March 15 state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. Institutions may define how their students must meet the priority deadline. Institutions are encouraged to adopt a policy and procedure to ensure students are awarded consistently for this program.

\[
\text{ALERT NEW: Beginning with the 2019-20 academic year and all years thereafter, all General Academic Teaching Institutions (GATIs) in Texas must publicize and use January 15 as the state priority deadline. All other public and private/independent institutions are encouraged to use this deadline.}
\]

\[
\text{NOTE: The 2019-20 Free Application for Federal Student Aid (FAFSA) and Texas Application for State Financial Aid (TASFA) will use January 15, 2019 as the state priority deadline date.}
\]

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.255)

Community colleges, public state colleges and public technical institutes are eligible to make initial year (IY) and renewal year (RY) awards. Each eligible institution will have a single allocation each fiscal year to make both IY and RY awards.

EFC REQUIREMENT

IY awards can only be made to students that have an EFC of $5,609 or less (9-month EFC). RY awards can be made to eligible students with EFCs higher than $5,609 if the student has a calculated need. A TEOG award cannot exceed a student’s calculated financial need.

TEOG AND TEXAS GRANT IN THE SAME AWARD YEAR

A student may receive a TEOG and TEXAS Grant award during the same award year, if both awards are not received for the same semester or term.

Example:

Student attends a public community college in the fall and receives a TEOG award but transfers to a public university in the spring. A TEXAS Grant can be awarded for the spring semester.

GED

A student who received a GED can be considered eligible for a TEOG if the student is admitted for enrollment as an entering regular student in the first 30 SCHs of an associate degree or certificate program.
alert new: student compliance with selective service

A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual's selective service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (see TEC, 51.9095).

Typically, a student’s selective service status is confirmed through the online FAFSA process which validates registration directly with the Selective Service Administration. If a student’s selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

The statement below must be collected for all male applicants, each academic year, in the following situations:

- A FAFSA that is flagged “not registered” must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.

- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

NOTE: The institution has discretion to determine how to collect this required statement, which can be done electronically or on paper (e.g. online form, signed award letter, etc.). The statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (see TAC, Section 22.4(a)(2)(A)).

Required Statement of Selective Service Status

Are you currently registered for Selective Service, as required by federal law?

☐ Registered  ☐ Not Registered  ☐ Exempt

(Proof of registration required)

I, __________________, hereby certify that the selective service status provided is true and correct. I understand that I must provide documentation if requested by my institution that I may be required to complete a new statement for each academic year for continued eligibility.

__________________________  ____________
Student Signature          Date
A person is not eligible to receive an IY or RY TEOG if the person has been convicted of a felony or an offense under Chapter 481, Health and Safety Code (Texas Controlled Substances Act), or under the law of any other jurisdiction involving a controlled substance as defined by Chapter 481, Health and Safety Code, unless the person has met the other applicable eligibility requirements under this subchapter and has:

3. Received a certificate of discharge by the Texas Department of Criminal Justice or a correctional facility or completed a period of probation ordered by a court, and at least two years have elapsed from the date of the receipt or completion; or
4. The student has been pardoned or the record of the offense has been expunged from the student’s record and therefore the student has been released from the resulting ineligibility to receive a TEOG award.

Institutions are required to collect a statement (electronic or paper) from each TEOG recipient prior to the disbursement of funds confirming eligibility in regard to the controlled substance restrictions of the program. This statement must be retained with the student’s records at the institution and be made available if requested in the course of a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

As long as a statement can be produced to prove a recipient’s eligibility for a given award period, the institution has the flexibility to determine the wording of the statement and the frequency with which it is collected. The institution can require all TEOG recipients to complete the statement every year they receive a TEOG award. The institution can also choose to collect the statement at least once from each TEOG recipient at the institution and word the statement in such a way to indicate that by signing, the student agrees that it is his/her responsibility to inform the institution if his/her status changes in the future. By choosing the second option, the institution can limit the statement required each year to initial or incoming recipients at the institution.

A sample statement is being provided:

```
Statement of Student Eligibility

Have you ever been convicted of a felony or an offense under Chapter 481, Health and Safety Code (Texas Controlled Substances Act), or under the law of another jurisdiction involving a controlled substance as defined by Chapter 481, Health and Safety Code?

Yes  No

* If your answer is yes, contact the financial aid office to determine your eligibility to receive a TEOG.
** If your answer is no, it is your responsibility to inform the financial aid office if this status changes at any time while attending the institution.

I hereby certify that the information I have provided in this statement is true and correct. I understand that if I fail to provide accurate information, I may be required to reimburse the institution and penalties may be imposed. I also understand that it is my responsibility to inform the financial aid office if my status concerning this statement of eligibility changes at any time while attending this institution.

DISCONTINUATION OF ELIGIBILITY (19 TAC, SECTION 22.256)

Unless an extension of eligibility (due to a hardship circumstance) is granted, a student’s eligibility ends if any of the following maximums have been met, or the student earns an associate degree, whichever comes first.

<table>
<thead>
<tr>
<th>TIME LIMIT</th>

</tr>
</thead>
<tbody>
<tr>

<td>75 SCH (no hardship allowed)</td>
</tr>
</tbody>
</table>

**Attempted hours is defined as every course in every semester for which a student has been registered as of the official census date. This includes, but is not limited to repeated courses, courses the student drops or those that the student withdraws from. For transfer students, the transfer hours and hours for optional internship and cooperative education courses are included if they are accepted by the receiving institution towards the student’s current program of study (See 19 TAC, Section 22.254).

HARDSHIP PROVISIONS (19 TAC, SECTION 22.257)

A student who is ineligible for a TEOG award based on grade point average (GPA), completion rate, or number of completed hours for satisfactory academic progress may be deemed eligible under the hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

⚠️ STOP: MAXIMUM HOURS OF ELIGIBILITY

While a hardship exception may be granted to allow an award in excess of 75 attempted semester credit hours (SCH), the total number of hours paid for with TEOG funds cannot exceed 75 SCH.
SATISFACTORY ACADEMIC PROGRESS (SAP) (19 TAC, SECTION 22.256)

At the end of the first academic year, a student must meet the SAP requirements set by the institution to be eligible for a first RY award.

At the end of the second academic year, and all subsequent years, a student must have completed 75% of total attempted hours and have a minimum 2.5 cumulative GPA.

The chart below reflects these requirements, which must be monitored to ensure compliance.

AWARDING

**WARNING: ELIMINATION OF REALLOCATION PROCESS**

Beginning in the 2018-19 award year, institutions will now have until the close of business on **August 1** (or the first working day thereafter if it falls on a weekend or holiday) to request program funds. The prior process in February will no longer be used to reallocate grant funding.

Each biennium*, funds not requested in the first year can be rolled-over for use in the second. However, funds for the second year of the biennium cannot be requested in advance during the first. Any funds not requested in the second year of the biennium become available for grant processing determined by the THECB.

*A biennium is defined as a two-year period designated to spend appropriated funds by the Legislature to be allocated to the institutions.

If allocated funds are insufficient to allow awards to all eligible students, first priority must be given to students that are eligible for an RY award (See 19 TAC, Section 22.258).

In determining who should receive an IY TEOG award, an institution must give highest priority to students who demonstrate the greatest financial need at the time the award is made (See 19 TAC, Section 22.259).

GPA APPEALS

A student who does not meet the GPA requirement at the end of a spring term may appeal to have courses taken at other institutions included in the GPA calculation. In this case, all grade points previously earned must be included in the overall GPA calculation.

FIRST YEAR APPEALS

If a student completes the first year on academic warning, probation, or on an approved plan, the student can be considered meeting SAP, if the institution’s policy includes such provisions. However, at the end of the second year, the student must meet the program SAP requirements for continued eligibility.

NOTE:
A biennium is defined as a two-year period designated to spend appropriated funds by the Legislature to be allocated to the institutions.

**REQUIRED MATCHING (19 TAC, SECTION 22.260)**

Institutions are required to cover the cost of tuition and required fees that exceed the TEOG award amount using other available sources of financial aid, which may include any non-loan program funds awarded to the student from federal, state, institutional, or outside sources, excluding Pell grants. Funds used for this purpose are frequently referred to as “matching funds”. A **Required Fee**, for the purpose of administering the TEOG Program, includes mandatory fees (required by statute) or discretionary fees (authorized by statute, imposed by the governing board of an institution) and fees that an institution charges to a student as a condition of enrollment at the institution or in a specific course.

⚠️ **ALERT:** Institutions are required to match funds for all TEOG recipients, regardless if the student is in-district or out-of-district tuition and fees.

**OVER AWARDS (19 TAC, SECTION 22.260)**

If an award has been disbursed and a student receives other assistance that exceeds the student’s financial need, the institution is not required to adjust the award unless the sum of the excess resources is greater than $300.

**LATE DISBURSEMENTS (19 TAC, SECTION 22.261)**

Funds that are disbursed after the end of a student’s period of enrollment must be used either to pay the student’s outstanding balance for the period of enrollment, or to make a payment on an outstanding loan received during that period of enrollment. Under no circumstances should funds be released directly to the student in this situation.
PRORATION

All TEOG award amounts must be prorated in relation to the student’s enrollment status as of the census date of a regular semester. (See 19 TAC, Section 22.260)

Award amounts must also be prorated in one of the following situations:

- Student is enrolled less than half-time with an extension of eligibility (due to a hardship circumstance).

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

When requesting funds, institutions must submit a Funds Request Form (FRF). This form is available through the secure Coordinating Board Pass System (CBPASS) portal on the Student Financial Aid Programs Information Webpage.

RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.

STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account
- Institutions have 6 business days after receiving the funds to return undisbursed funds
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award
AUTHORITY TO TRANSFER FUNDS (19 TAC, SECTION 22.262)

**STOP:** Institutions participating in TEOG and Texas College Work-Study (TCWS) may transfer up to 10% of the institution’s total annual program allocation or $20,000 (whichever is less) between programs within the relevant fiscal year. Institutions requesting a transfer between programs must submit an Authority to Transfer Form by January 18.

If the institution transfers TEOG funds to TCWS, the transferred TCWS funds must be encumbered by February 20. If funds are being transferred from TCWS to TEOG, the institutions must first return the TCWS funds to the THECB by January 18 but will have until August 1 to request the transferred funds.

TUITION EQUALIZATION GRANT PROGRAM

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.21)
The Tuition Equalization Grant (TEG) program was authorized by TEC Chapter 61, Section 61.221. Rules establishing procedures to administer the subchapter can be found in Title 19 of the TAC, Chapter 22, Subchapter B. The program is funded by appropriations by the Texas Legislature. The purpose of the TEG program is to promote the best use of existing educational resources and facilities within this state, both public and private, by providing need-based grants to Texas residents enrolled in approved private or independent Texas colleges or universities.

STATE PRIORITY DEADLINE (TEC, SECTION 56.008 AND 19 TAC, SECTION 22.6 – Formerly: 19 TAC, 21.10)
The THECB provides a uniform priority deadline for applications that qualify for financial assistance in an academic year. Institutions eligible to participate in the TEG program are encouraged to publicize and use the March 15 state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. Institutions may define how their students must meet the priority deadline. Institutions are encouraged to adopt a policy and procedure to ensure students are awarded consistently for this program.

⚠️ ALERT NEW: Beginning with the 2019-20 academic year and all years thereafter, all General Academic Teaching Institutions (GATIs) in Texas must publicize and use January 15 as the state priority deadline. All other public and private/independent institutions are encouraged to use this deadline.

NOTE: The 2019-20 Free Application for Federal Student Aid (FAFSA) and Texas Application for State Financial Aid (TASFA) will use January 15, 2019 as the state priority deadline date.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.23)
Any college, university or branch campus, defined as a private or independent institution of higher education, is eligible to participate in the TEG program (See TEC, Section 61.003).

Each participating institution will have a single allocation in which initial year (IY), also known as first awards, and renewal year (RY), also known as subsequent awards, can be made.
## ELIGIBILITY

### ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.24)

### TO RECEIVE A FIRST AWARD, A STUDENT MUST:

- Be classified by the institution as a Texas resident
- Be registered with Selective Service, or be exempt
- Have financial need
- Be enrolled at least 3/4 time
- Be an undergraduate or graduate student enrolled in degree plan leading to a **first** associate, baccalaureate, master’s, professional, or doctoral degree (excluding degree plans that are intended to lead to religious ministry)
- Maintain satisfactory academic progress in his/her program of study as determined by the institution
- Not have earned a degree for which they are currently enrolled
- Not be a recipient of an athletic scholarship (i.e. the student is obliged to play an intercollegiate sport as a result of receiving the scholarship) during the semester(s) TEG is awarded
- Be required to pay more tuition than is required at a comparable public college or university and be charged no less than the tuition required of all similarly situated enrolled at the institution

### TO RECEIVE A CONTINUATION AWARD, A STUDENT MUST:

- Meet all the first award requirements
- Maintain satisfactory academic progress

---

**STOP:** Non-resident National Merit Scholarship finalists are no longer eligible for a TEG award and there is no grandfathering provision included in this change.
**SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)**

**ALERT NEW: STUDENT COMPLIANCE WITH SELECTIVE SERVICE**

A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual's selective service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (See TEC, 51.9095).

Typically, a student’s selective service status is confirmed through the online FAFSA process which validates registration directly with the Selective Service Administration. If a student’s selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

The statement below must be collected for all male applicants, each academic year, in the following situations:

- A FAFSA that is flagged “not registered” must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.

- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

**NOTE:** The institution has discretion to determine how to collect this required statement, which can be done electronically or on paper (e.g. online form, signed award letter, etc.). The statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

---

**Required Statement of Selective Service Status**

Are you currently registered for Selective Service, as required by federal law?

- [ ] Registered  (Proof of registration required)
- [ ] Not Registered  
- [ ] Exempt  (Documentation required)

I, ____________________, hereby certify that the selective service status provided is true and correct. I understand that I must provide documentation if requested by my institution that I may be required to complete a new statement for each academic year for continued eligibility.

DISCONTINUATION OF ELIGIBILITY *(19 TAC, SECTION 22.24)*

HARDSHIP PROVISIONS *(19 TAC, SECTION 22.24)*

A student who is ineligible for a TEG award based on grade point average (GPA), completion rate, or number of completed hours for satisfactory academic progress may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

SATISFACTORY ACADEMIC PROGRESS (SAP) *(19 TAC, SECTION 22.24)*

At the end of the first academic year, a student must meet the SAP requirements set by the institution to be eligible for a continuation award.

At the end of the second academic year, and all years thereafter, undergraduates must have completed 24 semester credit hours (SCH) in the most recent academic year, with a 75% completion rate for hours attempted in that year, and must have a minimum 2.5 cumulative GPA. Graduate students must have completed 18 SCH in the most recent academic year, with a 75% completion rate for hours attempted in that year, and must have a minimum 2.5 cumulative GPA.

GPA APPEALS

A student who does not meet the GPA requirement at the end of a spring term may appeal to have courses taken at other institutions included in the GPA calculation. In this case, all grade points previously earned must be included in the overall GPA calculation.

FIRST YEAR APPEALS

If a student who completes the first year on academic warning, probation, or on an approved plan, the student can be considered meeting SAP, if the institution’s policy includes such provisions. However, at the end of the second year, the student must meet the program SAP requirements for continued eligibility.

FAILING COURSES

The intent of the 24/18 SCH requirement is to encourage timely progression towards a degree. Since a grade of F is not earned toward a degree, it should not be considered when calculating the student’s completed hours. Failing grades must be considered attempted hours, and therefore counted in the calculation of a student’s completion rate.
AWARDING

**ALERT NEW: ELIMINATION OF REALLOCATION PROCESS**

Beginning in the 2018-19 award year, institutions will now have until the close of business on **August 1** (or the first working day thereafter if it falls on a weekend or holiday) to request program funds. The prior process in February will no longer be used to reallocate grant funding.

Each biennium*, funds not requested in the first year can be rolled-over for use in the second. However, funds for the second year of the biennium cannot be requested in advance during the first. Any funds not requested in the second year of the biennium become available for grant processing determined by the THECB.

*A biennium is defined as a two-year period designated to spend appropriated funds by the Legislature to be allocated to the institutions.

Institutions have until August 1 to encumber the program funds that have been allocated. In determining who should receive a TEG award, an award may not exceed a student's financial need or tuition differential for that term or semester.

Undergraduate students with exceptional financial need may receive up to 150% of the program maximum award (see 19 TAC, SECTION 22.26). Exceptional financial need is defined as the amount of unmet need a student has if his or her expected family contribution (EFC) is less than or equal to $1,000.

Undergraduate students whose EFC's are ≤ $1,000 may receive up to the Exceptional Need award amount.
TUITION DIFFERENTIAL (19 TAC, SECTION 22.22)

Tuition differential is defined as the difference between the tuition paid at a private or independent institution and the tuition the student would have to pay to attend a comparable public institution in Texas. Fees are not included in this calculation, only tuition rates.

The Southern Association of Colleges and Schools (SACS) identifies institutions by the highest levels of degrees they offer. These levels are being used by the THECB to identify “comparable” institutions for the purpose of calculating tuition differentials. The following table shows average resident undergraduate and graduate tuition rates per SCH for public institutions at various SACS levels for the 2018-19 academic year.

These amounts should be used by the institution to derive tuition differentials by using the student’s total SCH and multiplying the tuition rate provided (see Appendix 1 for individual institutional program levels).

PUBLIC INSTITUTION RATES FOR LAW SCHOOL STUDENTS = $880 PER SCH

OVER AWARDS (19 TAC, SECTION 22.26)

If an award has been disbursed and a student receives other assistance that exceeds the student’s financial need, the institution is not required to adjust the award unless the sum of the excess resources is greater than $300.

LATE DISBURSEMENTS (19 TAC, SECTION 22.28)

Funds that are disbursed after the end of a student’s period of enrollment must be used either to pay the student’s outstanding balance for the period of enrollment, or to make a payment on an outstanding loan received during that period of enrollment. Under no circumstances should funds be released directly to the student in this situation.
PRORATION (19 TAC, SECTION 22.26)

Awards must be prorated if the student has been approved for an exception to the 3/4 time enrollment requirement due to a hardship circumstance:

ADJUSTMENTS TO AWARDS (19 TAC, SECTION 22.27)

If a student officially withdraws or the amount of a student's disbursement exceeds the amount the student is eligible to receive, the institution must follow its institutional refund policy in determining the amount by which the award must be reduced.

- These funds should be re-awarded to other eligible students attending the institution. If funds cannot be re-awarded, they should be returned to the THECB no later than the end of the state fiscal year for which they were allocated to the institution.
- If the student withdraws or drops classes after the end of the institution's refund period, no refunds to the program are due.

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

When requesting funds, institutions must submit a Funds Request Form (FRF). This form is available through the secure Coordinating Board Pass System (CBPASS) portal on the Student Financial Aid Programs Information Webpage.

RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.

STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account
- Institutions have 6 business days after receiving the funds to return undisbursed funds
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award
**AUTHORITY TO TRANSFER FUNDS (TAC, SECTION 22.30)**

**STOP:** Institutions participating in TEG and Texas College Work-Study (TCWS) may transfer up to 10% of the institution’s total annual program allocation or $20,000 (whichever is less) between programs within the relevant fiscal year. Institutions requesting a transfer between programs must submit an Authority to Transfer Form by **January 18**.

If the institution transfers TEG funds to TCWS, the transferred TCWS funds must be encumbered by **February 20**. If funds are being transferred from TCWS to TEG, the institutions must first return the TCWS funds to the THECB by **January 18** but will have until **August 1** to request the transferred funds.

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

**PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.196)**

The Top Ten Percent (Top 10%) Scholarship program was originally authorized by the 80th Texas Legislature to encourage outstanding high school students who graduate within the top 10 percent of their high school graduating class to attend a public college or university in Texas. The General Appropriations Act passed by the 85th Texas Legislature (Article III, p. 45 and Rider 27) authorizes renewal awards for state Fiscal Year 2019. Rules establishing procedures to administer the program can be found in Title 19 of the TAC, Chapter 22, Subchapter K. The program is funded through state General Revenue appropriations.

**STATE PRIORITY DEADLINE (TEC, SECTION 56.008 AND 19 TAC, SECTION 22.6 – Formerly: 19 TAC, 21.10)**

The THECB provides a uniform priority deadline for applications that qualify for financial assistance in an academic year. General Academic Teaching Institutions (GATIs) in Texas must publicize and use March 15 as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. All other public institutions are encouraged to use this state priority deadline. Institutions may define how their students must meet the priority deadline. Institutions are encouraged to adopt a policy and procedure to ensure consistency in making awards through this program.

**ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.198)**

All public institutions of higher education, as defined in TEC, Section 61.003, are eligible to make renewal awards only under the Top 10% Scholarship program.
ELIGIBILITY

ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.199)

STOP: Beginning with the 2015-16 academic year, renewal awards only are authorized for the Top 10% Scholarship Program.

TO RECEIVE A RENEWAL YEAR AWARD, A STUDENT MUST:

✓ Be an undergraduate baccalaureate student who previously received an award
✓ Be classified by the institution as a Texas resident
✓ Be registered with Selective Service, or be exempt
✓ Complete the Free Application for Federal Student Aid (FAFSA) or the Texas Application for State Financial Aid (TASFA)
✓ Have unmet financial need, as determined by the following formula:
  o cost of attendance (COA) minus the expected family contribution (EFC), minus Pell grant eligibility (remainder must be greater than zero)
✓ Be enrolled full-time (at least 12 semester credit hours) as of the census date
✓ Maintain program satisfactory academic progress requirements

DISCONTINUATION OF ELIGIBILITY (19 TAC, SECTION 22.201)

Unless an extension of eligibility (due to a hardship circumstance) is granted, a student’s eligibility ends if any of the following maximums have been met:

<table>
<thead>
<tr>
<th>TIME LIMIT</th>
<th>DEGREE OBTAINED</th>
<th>NUMBER OF AWARDS</th>
</tr>
</thead>
<tbody>
<tr>
<td>4 Consecutive Years</td>
<td>Baccalaureate (No hardship allowed)</td>
<td>4 Awards (No hardship allowed)</td>
</tr>
</tbody>
</table>

HARDSHIP PROVISIONS (19 TAC, SECTION 22.201)

A student who is ineligible based on the requirements for the GPA, completion rate, and/or number of completed hours for satisfactory academic progress, may be deemed eligible under a hardship provision. Participating institutions must adopt a hardship policy and have the policy available for public review upon request. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

SATISFACTORY ACADEMIC PROGRESS (SAP) (19 TAC, SECTION 22.201)

A student’s SAP eligibility is determined at the end of each academic year. Students must complete 30 semester credit hours (SCH), have a completion rate of 75%, and maintain a 3.25 cumulative GPA on a 4-point scale.

<table>
<thead>
<tr>
<th>END OF EACH ACADEMIC YEAR</th>

</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>30 SCH in an academic year</td>
</tr>
</tbody>

CALCULATE AN AWARD

Top 10% Scholarship recipients can receive the maximum award amount even if the amount exceeds the calculated need. An applicant is determined eligible if the following is true:

Need = COA – EFC – Pell > $0
Ex: $20,000 – $19,999 – 0 = $1

In this example, although the recipient has only $1 of need, the student is eligible to receive up to the maximum award amount.

EXTENSION OF ELIGIBILITY

An extension of eligibility can be issued beyond 4 consecutive years with an approved hardship, as long as the student has not received more than 4 awards.

FOR EXAMPLE:

A student received an initial award in fall 2013 and did not attend college again until fall 2018. Since the student only received one award, the student may be eligible for an award with an extension of eligibility due to an undue hardship, if all other eligibility requirements are met.
ALERT NEW: STUDENT COMPLIANCE WITH SELECTIVE SERVICE

A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual's selective service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (See TEC, 51.9095).

Typically, a student’s selective service status is confirmed through the online FAFSA process which validates registration directly with the Selective Service Administration. If a student’s selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

The statement below must be collected for all male applicants, each academic year, in the following situations:

- A FAFSA that is flagged “not registered” must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.

- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

NOTE: The institution has discretion to determine how to collect this required statement, which can be done electronically or on paper (e.g. online form, signed award letter, etc.). The statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

**Required Statement of Selective Service Status**

Are you currently registered for Selective Service, as required by federal law?

- [ ] Registered (Proof of registration required)
- [ ] Not Registered (Documentation required)
- [ ] Exempt

I, ______________, hereby certify that the selective service status provided is true and correct. I understand that I must provide documentation if requested by my institution that I may be required to complete a new statement for each academic year for continued eligibility.

AWARDING

In determining eligibility, renewal recipients must be classified as a Priority 1 or Priority 2 applicant. (See 19 TAC, Section 22.200)

Recipients are classified as Priority 1 if the following was completed by the March 15, 2018 state priority deadline:

- FAFSA was submitted in time to generate the Central Processing System (CPS) results in a non-rejected status
- TASFA was submitted to the financial aid office

All other eligible recipients are classified as Priority 2.

REQUESTING PROGRAM FUNDS (19 TAC, SECTION 22.202)

Funds for Top 10% Scholarship students will not be disbursed until the institution submits a file through the secure file transfer portal called MOVEit DMZ.

The Top 10% Scholarship Funds Requests File Instructions are available on the Student Financial Aid Programs Information Webpage. Files can be submitted to THECB no later than October 1, 2018. Information included in the file will be used by THECB to confirm and approve funding for eligible students.

RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.

TEXAS ARMED SERVICES SCHOLARSHIP PROGRAM

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.163)

The Texas Armed Services Scholarship Program (TASSP) is authorized by TEC, Chapter 61, Subchapter A, Section 61.9771. Rules establishing procedures to administer the subchapter can be found in Title 19 of the TAC, Chapter 22, Subchapter I. The purpose of the TASSP is to encourage students to become members of the Texas Army National Guard, Texas Air National Guard, United States Coast Guard or United States Merchant Marine, or to become commissioned officers in any branch of the armed services of the United States.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.164)

Public institutions of higher education, as defined in TEC, Section 61.003, and private or independent institutions of higher education, as defined in TEC, Section 61.003(15), can participate.
ELIGIBILITY

REQUIREMENTS FOR APPOINTMENTS (19 TAC, SECTION 22.166)

Each year, the governor and the lieutenant governor may each appoint two students, and each state senator and state representative may appoint one student to receive an initial TASSP award. ADDITIONAL INFORMATION

STUDENT APPLICATION DEADLINE

Students must complete their TASSP online applications by October 15, 2018.

HOW CAN A STUDENT APPLY?

1. The student will need to be selected by the governor, lieutenant governor, a senator, or a state representative.
   - Students can identify a legislator by visiting, Who Represents Me.
   - To contact the governor’s office, a student can call (512) 463-1828 or visit, Governor’s Appointment Responsibility.
   - To contact the lieutenant governor’s office, a student can call (512) 463-0001.
2. Once selected, the student will receive a Notice of Selection letter.
3. Once the student is enrolled in an eligible institution and ROTC program, the Notice of Selection must be provided to the financial aid office.
4. The financial aid office will certify the student’s program eligibility to the THECB.
5. Once the THECB receives the institution’s eligibility certification, the student will receive an email notifying them to complete the TASSP application at Loans Online.

ALERT NEW: If a student fails to meet the requirements to initially receive a TASSP award, the THECB will notify the legislative office of their nominee’s change in eligibility so the legislator can submit an alternate. The governor, lieutenant governor, state senator, and state representative may select an alternate for each initial student nominee that becomes ineligible. The THECB will notify the alternate of his or her nomination (See TAC, Section 22.166(a)).
TO RECEIVE A CONTINUATION AWARD, A STUDENT MUST:

- Maintain current satisfactory academic progress (SAP), as defined by the THECB (New section provided on page 4)
- Continue to be a member of the Reserve Officers’ Training Corps (ROTC) or another undergraduate officer commissioning program
- Not have earned a baccalaureate degree or a cumulative total of 150 hours (includes transfer hours) as verified by the institution

**STOP:** Effective May 2018 (See TAC, SECTION 22.170(b)), if the student fails to meet any of the conditions for continued eligibility, the student:

- Cannot regain award eligibility in a subsequent academic year
- Loses eligibility to receive any future awards
- Loses eligibility to have his or her existing loans forgiven

**ALERT NEW:** STUDENT COMPLIANCE WITH SELECTIVE SERVICE

A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual’s selective service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (See TEC, 51.9095).

Typically, a student’s selective service status is confirmed through the online Free Application for Federal Student Aid (FAFSA) process which validates registration directly with the Selective Service Administration. If a student’s selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

The statement below must be collected for all male applicants, each academic year, in the following situations:

- A FAFSA that is flagged “not registered” must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.

- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

**NOTE:** The institution has discretion to determine how to collect this required statement, which can be done electronically or on paper (e.g. online form, signed award letter, etc.). The statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

**Required Statement of Selective Service Status**

Are you currently registered for Selective Service, as required by federal law?

- [ ] Registered (Proof of registration required)
- [ ] Not Registered (Documentation required)

CONVERSION OF THE SCHOLARSHIP TO A LOAN (19 TAC, SECTION 22.170)

A TASSP award will be converted to a loan if the student fails to:

- Maintain satisfactory academic progress as required by the program, or by the institution’s ROTC or another undergraduate officer commissioning program;
- Fulfill the terms in the TASSP agreement, that include:
  - Complete four years of ROTC training, or its equivalent if the institution awards ROTC credit for prior service in any branch of the US Armed Services or the Texas Army National Guard, Texas Air National Guard, US Coast Guard, or US Merchant Marine, or another undergraduate officer commissioning program;
  - Graduate no later than six years after the date first enrolled after receiving a high school diploma or General Educational Diploma (GED) or its equivalent; OR
- Fulfill one of the following:
  - Complete a four year commitment to be a member of the Texas Army National Guard, Texas Air National Guard, Texas State Guard, United States Coast Guard, or United States Merchant Marine; OR
  - Contract to serve as a commissioned officer in any branch of the armed services of the United States.

If a student requires a temporary leave of absence from the institution and/or the ROTC or another undergraduate officer commissioning program for personal reasons or to provide service for the Texas Army National Guard, Texas Air National Guard, Texas State Guard, United States Coast Guard, or United States Merchant Marine for fewer than twelve months, the THECB may agree to not convert the scholarship award to a loan during that time.

If a student is required to provide more than twelve months of service in the Texas Army National Guard, Texas Air National Guard, Texas State Guard, United States Coast Guard, or United States Merchant Marine as a result of a national emergency, the THECB can grant that student additional time to meet the graduation and service requirements specified in the TASSP agreement (See 19 TAC, Section 22.170).

SATISFACTORY ACADEMIC PROGRESS (SAP) (19 TAC, SECTION 22.169)

⚠️ ALERT NEW: At the end of every academic year, a student must have completed 24 semester credit hours (SCH) and have a minimum 2.5 cumulative grade point average (GPA).

The chart below reflects the program SAP requirements which must be monitored to ensure compliance:

<table>

**NOTE:** Maximum for the semester credit hours earned includes transfer hours, as verified by the institution.

AWARDING

The TASSP award maximum is determined and announced annually by the THECB and cannot exceed $15,000 in an academic year. The award must be reduced by the amount of the combined total to be paid to the student for being under contract with one of the branches of the armed services and the full amount of the scholarship, if it exceeds the student’s total cost of attendance (COA) for that academic year. (See 19 TAC, Section 22.165).

⚠️ STOP: A student cannot receive a TASSP award for more than four of the six years that are allowed for a student to graduate.

REQUESTING PROGRAM FUNDS

Funds will not be disbursed until the promissory note is signed by the borrower and the Financial Aid Administrator certifies the loan using one of the following two methods:

- Certify the loan through the HelmNet loan portal; OR
- Submit a Commonline Loan Certification File using the MOVEit DMZ secure file transfer portal.

RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.

STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, SECTION 22.2)

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account
- Institutions have 6 business days after receiving the funds to return undisbursed funds
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award

REPAYMENT

If the scholarship is converted to a loan, the student will have a 6-month grace period beginning on the date the student ceases to be enrolled at least half-time at an eligible institution. Repayment is scheduled to begin after the expiration of the 6-month grace period, although interest begins to accrue on the date the scholarship is converted to a loan. The TASSP loan has a 15-year repayment period and a minimum monthly payment of $100, or an amount required to repay the loan within 15 years, whichever is greater. The interest rate charged on TASSP loans will be the same rate charged for a College Access Loan at the time the funds were disbursed. A charge of five percent of the scheduled monthly payment or five dollars, whichever is less, will be charged if a past due payment amount is not received within 20 days of the scheduled due date. (See 19 TAC, Section 22.171).

STOP: Students experiencing a medical disability, or any type of financial hardship can apply for postponed or reduced payments and cancellation (medical disability only) of their TASSP loan.

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 21.1080)
The Educational Aide Exemption (EAE) program is authorized by TEC, Chapter 54, Section 54.363 Subchapter A. Rules establishing procedures to administer the subchapter can be found in Title 19 of the TAC, Chapter 21, Subchapter II. The purpose of the EAE program is to encourage certain Educational Aides to complete full teacher certification by providing need-based exemptions from the payment of tuition and certain mandatory fees at Texas public institutions of higher education.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 21.1082)
All public institutions, as defined by TEC, Section 61.003, are invited annually to participate in the EAE program allocation process. Those choosing not to participate will not be considered in the allocation calculation for the applicable year.
ELIGIBILITY

- If classified as an undergraduate, have not completed an excessive number of semester credit hours (SCH) as defined in TEC, Section 54.014

If the student received an EAE award prior to fall 2012:

- Be enrolled in courses required for teacher certification or, if enrolled in lower-level coursework, sign a statement indicating an intention to become certified as a teacher in Texas

STOP: EXCESSIVE UNDERGRADUATE HOURS

The excessive hours calculation excludes:

- Hours earned exclusively by examination

- Hours earned for developmental courses that the institution required the person to take under TEC, Section 51.331
- Hours described in TEC, Section 61.0595(d)

GRADUATE STUDENT ELIGIBILITY

Students enrolled in graduate courses leading to a teacher certification in a teacher shortage area can be considered eligible for the EAE, if all other requirements are met.

APPLICANTS WITH A HIGH EFC

The EAE program does not have an EFC limitation or a maximum adjusted gross income (AGI) requirement. To qualify, applicants must have financial need as defined in 19 TAC, Section 21.1081 (8). Eligible applicants who meet this criterion can be awarded the amount required to exempt the student from payment of resident tuition and fees for courses taken during the applicable term, even if the award amount exceeds the student’s financial need.

SCHOOL DISTRICT EMPLOYEE ELIGIBILITY

Eligible applicants can be employed in any capacity at a Texas public school district (e.g. Bus Driver), providing the applicant has the required Educational Aide work experience. Awarded students must remain employed for the full term.

SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)

⚠️ ALERT NEW: STUDENT COMPLIANCE WITH SELECTIVE SERVICE

A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual's selective service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (See TEC, 51.9095).

Typically, a student’s selective service status is confirmed through the online FAFSA process which validates registration directly with the Selective Service Administration. If a student’s selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

The statement below must be collected for all male applicants, each academic year, in the following situations:

- A FAFSA that is flagged “not registered” must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.

- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

NOTE: The institution has discretion to determine how to collect this required statement, which can be done electronically or on paper (e.g. online form, signed award letter, etc.). The statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

Required Statement of Selective Service Status

Are you currently registered for Selective Service, as required by federal law?

☐ Registered (Proof of registration required) ☐ Not Registered ☐ Exempt (Documentation required)

I, ___________________, hereby certify that the selective service status provided is true and correct. I understand that I must provide documentation if requested by my institution that I may be required to complete a new statement for each academic year for continued eligibility.

HARDSHIP PROVISIONS (19 TAC, SECTION 21.1088)

A student who fails to maintain the GPA and/or excessive hours requirement may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review upon request. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

EXEMPTION FROM STUDENT TEACHING (19 TAC, SECTION 21.1087)

- An individual who receives a baccalaureate degree required for a teaching certificate on the basis of higher education coursework completed while receiving an EAE award is not required to participate in any field experience or internship consisting of student teaching to receive a teaching certificate.
- An individual who receives a baccalaureate degree prior to receiving a first EAE award is not eligible for a student teaching exemption.

AWARDING

Students receiving awards through the Educational Aide Exemption Program will be exempted from the payment of the total resident tuition and required fees, other than laboratory and class fees, for courses taken during the applicable term. Institutions must determine the applicant’s eligibility to receive the exemption and notify both the applicant and the school district employing the applicant (TEC, Section 54.363 (d)).

REQUIRED MATCHING (19 TAC, SECTION 21.1086)

Participation in the EAE program requires that institutions use institutional matching funds to cover at least 10% of each recipient’s exemption. Institutions are not required to provide exemptions beyond those funded through appropriations plus a 10% institutional match.

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

When requesting funds, eligible institutions must submit a Funds Request Form (FRF). This form is available on the Student Financial Aid Programs Information Webpage under Program Resources.

ALERT NEW: Beginning fall 2018, participating institutions will no longer receive the total EAE allocation as one lump sum at the start of the fall term. Eligible institutions must now submit a Funds Request Form on an as-needed basis to receive allocated funds.

RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.
The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

ELIGIBILITY

ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.333)

⚠️ ALERT: Beginning with the 2015-16 academic year, renewal awards only are authorized for the BOT Loan Program.

TO RECEIVE A RENEWAL AWARD, A STUDENT MUST:

- Be classified by the institution as a Texas resident or be entitled to pay resident tuition rates as a dependent child of a member of the U.S. armed forces
- Be registered with Selective Service, or be exempt
- Be eligible to receive federal financial aid

- Have not earned a baccalaureate degree

DISCONTINUATION OF ELIGIBILITY (19 TAC, SECTION 22.333)

A student may not receive a Texas B-On-Time loan for more than 150 semester credit hours or the equivalent.

If, in any given academic period, a student is no longer enrolled full-time and the THECB does not receive a refund of the BOT loan for that period, the dropped courses will be counted towards the calculation of the 150 SCH limit.

HARDSHIP PROVISIONS (19 TAC, SECTION 22.335)

A student who is ineligible for the BOT Loan based on course load and completion requirements may be deemed eligible under a hardship provision. Participating institutions must adopt a hardship policy and have the policy available for public review upon request. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

⚠️ STOP: No student enrolled for fewer than six hours may receive a BOT award, regardless of the circumstances including graduation.

GPA APPEALS

A student who does not meet the GPA requirement at the end of a spring term can appeal to have courses taken at other institutions included in the GPA calculation. In this case, all grade points previously earned must be included in the overall GPA calculation.

REINSTATEMENT OF ELIGIBILITY

A student who fails to meet any of the requirements for receiving a continuation award after completion of any year, may not receive a BOT loan until he or she completes the necessary coursework to meet the completion and GPA requirements for a continuation award.

LOAN ORIGINATION

BOT loans may be originated in the HelmNet Loan Portal only for eligible renewal recipients. If an entered SSN does not have a prior BOT Loan associated with it, the system will not allow an application to be created or certified.

**ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.45)**

The following institutions and entities located in Texas are eligible to participate in the CAL program:

- Public or private nonprofit institutions of higher education, including junior colleges, accredited by a recognized accrediting agency as defined in TEC, Section 61.003; OR

THECB’s Higher Education Loan Management System (HELMS) allows institutions, students and cosigners to manage loan accounts through a secure online portal called HelmNet.

LOGIN PAGE

HelmNet Portal

- Institutions must submit a System Authorization Form to THECB to request access to certify a loan.
- Students and cosigners must each create an online account to apply for a loan or view the status of any loans with THECB.

CAL INTEREST RATE CHANGE

- Effective May 14, 2018, Applications certified on or after that date will carry a fixed annual interest rate of 5.30%.

ALERT NEW: STUDENT COMPLIANCE WITH SELECTIVE SERVICE

A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual's selective service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (See TEC, 51.9095).

Typically, a student’s selective service status is confirmed through the online FAFSA process which validates registration directly with the Selective Service Administration. If a student’s selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

The statement below must be collected for all male applicants, each academic year, in the following situations:

- A FAFSA that is flagged “not registered” must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.

- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

NOTE: The institution has discretion to determine how to collect this required statement, which can be done electronically or on paper (e.g. online form, signed award letter, etc.). The statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

CAL Program

As of 8/22/2018  Guidelines 2018-19  48
AWARDING

Students may receive CAL funding to cover reasonable expenses only, not to exceed the Cost of Attendance (COA) (See 19 TAC, Section 22.49) and IRS Certification Requirements). When certifying a CAL loan, institutions are confirming that the amount of the requested loan is greater than $100 and does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible. The other forms of student assistance that must be considered when determining the amount of a CAL eligibility include:

- Free sources of student aid, such as gifts, grants and scholarships; AND
- The amount of any Federal Perkins loan and/or Federal Direct Stafford loan (including subsidized and unsubsidized) that a student borrower is eligible to receive. Eligibility for Federal PLUS loans should not be considered when determining the amount of CAL.

**ALERT NEW: PROCESS FOR INCREASING A COLLEGE ACCESS LOAN (CAL)**

A CAL can never exceed the amount certified by the institution but there are several common situations where a CAL can be increased.

- The institution certifies a loan and the student cancels all or part of the loan but later ends up needing the money during the loan period. The institution can request, in writing through CONTACT US, that the loan be increased up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

- The institution certifies a loan and the student becomes ineligible prior to the disbursement from the THECB. The institution cancels the loan but the student later becomes eligible during the loan period. The institution can request, in writing through CONTACT US, that the loan be reinstated up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

- The institution certifies a loan and returns funds during the loan period to the THECB. The institution can request, in writing through CONTACT US, that the loan be reinstated up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

A CAL cannot be increased in the following situation:

- The institution certifies LESS than what the student was pre-approved to borrow. The student ends up needing more money after certification (ex. additional tuition and fees) and wants to increase his or her current loan amount. The loan amount CANNOT be increased beyond the certified amount by the institution even though the student may have been pre-approved for more than what was certified.

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

Institutions can certify eligible CAL loans throughout the academic year on an as-needed basis. Funds will not be disbursed until the promissory note is signed by the borrower (and cosigner, when applicable) and the Financial Aid Administrator certifies the loan using the following two methods:

- Certify the loan through the HelmNet loan portal; OR
- Submit a Commonline Loan Certification File using the MOVEit DMZ secure file transfer portal.
RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.

STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account
- Institutions have 6 business days after receiving the funds to return undisbursed funds
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award

REPAYMENT

CAL loans have a 6-month grace period beginning on the date the student ceases to be enrolled at least half-time at an eligible institution. Repayment is scheduled to begin after the expiration of the 6-month grace period (See 19 TAC, Section 22.53). All loans have a minimum monthly repayment amount of $50. There is a maximum repayment period of 10 years for loans with a principal balance under $30,000, and a maximum repayment period of 20 years for loans with a principal balance of $30,000 or more. If the balance is greater than $30,000 at the time the account initially enters repayment, the monthly payment amount must be enough to pay off the entire debt in no more than 20 years. The CAL will not be sold to another lender.
The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

**PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.127)**
The Texas College Work-Study (TCWS) program is authorized by TEC, Chapter 56, Subchapter E, Section 56.073. Rules establishing procedures to administer the subchapter can be found in Title 19 of the TAC, Chapter 22, Subchapter G. The purpose of the TCWS program is to provide employment to eligible students with financial need. These positions are funded by a combination of state appropriations and funds from employers.

**STATE PRIORITY DEADLINE (TEC, SECTION 56.008 AND 19 TAC, SECTION 22.6 – Formerly: 19 TAC, 21.10)**
The THECB provides a uniform priority deadline for applications that qualify for financial assistance in an academic year. General Academic Teaching Institutions (GATIs) in Texas must publicize and use March 15 as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. All other public institutions are encouraged to use this state priority deadline. Institutions may define how their students must meet the priority deadline. Institutions are encouraged to adopt a policy and procedure to ensure students are awarded consistently for this program.

**ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.129)**
Any public, private, or independent institution of higher education as defined in TEC, Section 61.003, except theological or religious seminary institutions, is eligible to participate in the TCWS program.

---

**Alert New:** Beginning with the 2019-20 academic year and all years thereafter, all General Academic Teaching Institutions (GATIs) in Texas must publicize and use January 15 as the state priority deadline. All other public and private/independent institutions are encouraged to use this deadline.

**Note:** The 2019-20 Free Application for Federal Student Aid (FAFSA) and Texas Application for State Financial Aid (TASFA) will use January 15, 2019 as the state priority deadline date.
ELIGIBILITY

ELIGIBILITY REQUIREMENTS [19 TAC, SECTION 22.130]

TO RECEIVE A TCWS AWARD, A STUDENT MUST:

✓ Be classified by the institution as a Texas resident
✓ Be registered with Selective Service, or be exempt
✓ Have financial need
✓ Be enrolled at least 1/2 time in a plan leading to a degree or certification
✓ Not be a recipient of an athletic scholarship (i.e. the student is obliged to play an intercollegiate sport as a condition of receiving the scholarship) during any semester TCWS is awarded
✓ Not be enrolled in a seminary or other program leading to ordination or licensure to preach for a religious sect or to be a member of a religious order

ELIGIBLE EMPLOYERS [19 TAC, SECTION 22.131]

Participating institutions may enter into agreements with outside employers to participate in the TCWS program. To be eligible to participate, an employer must:

- Provide part-time employment to an eligible student in non-partisan and non-sectarian activities.
- Provide employment that is related to the student's academic interests, when possible.
- Use TCWS program positions only to supplement and not to supplant positions normally filled by persons not eligible to participate in the program.

ADDITIONAL INFORMATION

RESIDENCY ELIGIBILITY

If a nonresident student is eligible to pay resident tuition, he/she is not eligible to receive TCWS since eligibility requires that the participant be a Texas Resident.

An otherwise eligible affidavit student (classified as a Texas resident) who can provide the appropriate documentation proving eligibility to be employed in the United States, may secure employment through the TCWS program. This includes Deferred Action for Childhood Arrivals (DACA) recipients.

GRADUATE STUDENT ELIGIBILITY

Eligible graduate students must be enrolled at least half-time, which is defined by the state as 4.5 hours. To meet program eligibility requirements, the institution must comply with the state’s definition of half-time enrollment for a graduate student recipient, even if the institution’s definition is different.
ALERT NEW: STUDENT COMPLIANCE WITH SELECTIVE SERVICE

A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual's selective service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (See TEC, 51.9095).

Typically, a student’s selective service status is confirmed through the online FAFSA process which validates registration directly with the Selective Service Administration. If a student’s selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

The statement below must be collected for all male applicants, each academic year, in the following situations:

- A FAFSA that that is flagged “not registered” must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.

- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

NOTE: The institution has discretion to determine how to collect this required statement, which can be done electronically or on paper (e.g. online form, signed award letter, etc.). The statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

Required Statement of Selective Service Status

Are you currently registered for Selective Service, as required by federal law?

☐ Registered (Proof of registration required)
☐ Not Registered (Documentation required)
☐ Exempt

I, __________________, hereby certify that the selective service status provided is true and correct. I understand that I must provide documentation if requested by my institution that I may be required to complete a new statement for each academic year for continued eligibility.

_________________________________________ Date

Student Signature
AWARDING

Institutions must use the TCWS allocation for employment during the 9-month academic year (fall and spring terms). A TCWS award cannot exceed the student’s calculated need, which includes state and employer matching funds.

Each participating institution must ensure that at least 20 percent, but no more than 50 percent, of the employment positions provided through the TCWS program in an academic year are off-campus through an eligible employer (See 19 TAC, Section 22.131).

OVER AWARDS (19 TAC, SECTION 22.132)

If, after an award has been offered, a student receives other assistance that exceeds the student's financial need, the institution is not required to adjust the award unless the sum of the excess resources is greater than $300.

SUMMER AWARDS (19 TAC, SECTION 22.133)

Institutions may use reallocated funds for summer awards, if given specific permission by the THECB. Reallocated funds for summer awards must be paid by August 31 of the current fiscal year.

REQUIRED MATCHING (19 TAC, SECTION 22.131)

Participating for-profit employers must:

- Provide at least 50 percent of an employed student's wages and 100 percent of other employee benefits for the employed student.

Participating non-profit employers must:

- Provide at least 25 percent of an employed student's wages and 100 percent of other employee benefits for the employed student from sources other than federal college work-study program funds, unless institutions are eligible for a waiver of matching funds. Institutions that are eligible for Title III funds from the U.S. Department of Education (ED) are exempt from the TCWS requirement that nonprofit employers provide 25% of an employed student's wages. To qualify for this exemption, institutions must submit a current copy of the Title III eligibility letter to the THECB.

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

At the start of the fiscal year, each participating institution’s full allocation of funds will be disbursed. Funds for public universities, Health-Related Institutions (HRIs) and technical institutes, funds will be transferred to each institution’s cost center at the Comptroller’s Office. Funds for community colleges and private/independent institutions will be sent to each institution’s designated bank or other fiduciary institution, via direct deposit or Automated Clearing House (ACH).

RETURNING PROGRAM FUNDS

Unused funds must be returned to the THECB after the end of the spring term. A Return of Funds Form (RFF) must be submitted before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.
### AUTHORITY TO TRANSFER FUNDS (19 TAC, SECTION 22.135)

⚠️ **ALERT:** Institutions participating in combination of TCWS, TEXAS Grant, TEOG, and TEG may transfer up to 10% of the institution’s total annual program allocation or $20,000 (whichever is less) between programs within the relevant fiscal year. Institutions requesting a transfer between programs must submit an Authority to Transfer Form by **January 18.**

If the institution transfers grant funds (TEXAS Grant, TEOG, and TEG) to TCWS, the transferred TCWS funds must be encumbered by **February 20.** If funds are being transferred from TCWS to a grant (TEXAS Grant, TEOG, and TEG), the institutions must return the TCWS funds by **January 18** but will have until **August 1** to request the transferred funds.

For example:  
Institution Current Tuition Rate Per SCH = $550  
Institution SACS Level = 2

To calculate tuition differential for an undergraduate student who is enrolled in 12 SCH in the fall and 12 SCH in the spring:

\[
\begin{align*}
\text{Difference} & = (\text{Current Tuition} - \text{SACS avg}) \\
\text{Tuition Differential} & = \text{Difference} \times \text{Total SCH}
\end{align*}
\]

\[
\begin{align*}
\$550 & - \$60 = \$490 \\
\text{Tuition Differential} & = \$490 \times 24 \text{SCH} = \$11,760
\end{align*}
\]
