TOWARD EXCELLENCE, ACCESS AND SUCCESS

GRANT

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.225)

The Toward EXcellence, Access, & Success (TEXAS) Grant Program is authorized by TEC Chapter 56, Section 56.302 Subchapter M. Rules establishing procedures to administer the program can be found in Title 19 of the TAC, Chapter 22, Subchapter L. The program is funded by appropriations authorized by the Texas Legislature and from any to the program. The purpose of the TEXAS Grant Program is to provide financial assistance to eligible students attending Texas public institutions of higher education.

STATE PRIORITY DEADLINE (TEC, SECTION 56.008 and 19 TAC, SECTION 22.6)

The THECB provides a uniform priority deadline for applications that qualify for state-funded financial assistance in an academic year. General Academic Teaching Institutions (GATIs) in Texas, as defined in TEC, Section 61.003(3), must publicize and use January 15 as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. Institutions may define how their students must meet the priority deadline and are encouraged to adopt a policy describing the actions that students must take to meet the deadline.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.227)

With the exception of public state colleges, GATIs and Health-Related Institutions (HRIs) are eligible to make both initial year (IY) and renewal year (RY) awards from a single allocation. Community colleges, public state colleges, and public technical institutes may only issue an RY award to students who received an IY award prior to fall 2014 through a community college, public state college, or public technical institute.
ELIGIBILITY

INITIAL ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.228)

TO RECEIVE AN IY AWARD, A STUDENT MUST:

✓ Be classified by the institution as a Texas resident
✓ Be registered with Selective Service, or be exempt
✓ Have applied for any available financial aid assistance
✓ Have financial need
✓ Be enrolled at least 3/4 time
✓ Not have earned a baccalaureate degree
✓ Be enrolled in a baccalaureate degree program at a public 4-year or HRI institution as a first-time undergraduate and qualify through one of the following four pathways:
  • **High School Graduation Pathway:** Graduation from an accredited public or private high school in Texas and enrollment at an approved institution within 16 months after high school graduation. The student must not have accumulated more than 30 semester credit hours (SCHs) (excluding credits for dual enrollment or by examination); OR
  • **Associate Degree Pathway:** Enrollment in an eligible institution within 12 months after earning an associate degree from a public or private nonprofit Texas institution of higher education; OR
  • **Honorable Military Discharge Pathway:** Enrollment in an eligible institution of higher education within 12 months after being honorably discharged from military service. Enlistment in the military must have occurred within 12 months after graduation from an accredited public or private high school in Texas on May 1, 2013 or later; OR
  • **TEOG Transfer Pathway:** Completion of at least 24 SCHs with a minimum 2.5 GPA after receiving an IY Texas Educational Opportunity Grant (TEOG) in Fall 2014 or later and transferring to an eligible institution with a minimum 2.5 GPA.
✓ Not have been convicted of a felony or crime involving a controlled substance or under the law of any jurisdiction involving a controlled substance as defined by Chapter 481, Health and Safety Code (Texas Controlled Substances Act)

⚠️ ALERT NEW: Priority Expected Family Contribution (EFC)

The priority EFC set by the THECB should only serve as a method for prioritizing IY awards for eligible students, and is not an eligibility requirement to receive an award. The calculated priority EFC for 2019-20 is $5,875 (See 19 TAC, Section 22.228(e)).

HIGH SCHOOL RECIPIENT

Home-schooled students are not eligible for an initial award though the High School Graduation Pathway. Only students who graduated from an accredited public or private high school in Texas are eligible for TEXAS Grant consideration as an initial applicant.

PRIVATE HIGH SCHOOL CERTIFICATION

To determine eligibility for a student who graduated from a private high school in Texas, the institution of higher education must receive a certification form from the accredited private high school. This form verifies that the student completed the equivalent of the required high school curriculum. The private high school certification form is located on the THECB’s website.

TRANSFER STUDENTS

A student who is eligible through either the Associate Degree or TEOG Transfer Pathway does not need to have his or her high school transcripts evaluated, but cannot receive priority consideration for an initial TEXAS Grant award.
### RENEWAL ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.228)

**TO RECEIVE AN RY AWARD, A STUDENT MUST:**

- Be classified by the institution as a Texas resident
- Be registered with Selective Service, or be exempt
- Have financial need
- Be enrolled at least 3/4 time
- Maintain satisfactory academic progress
- Not have earned a baccalaureate degree
- Be a prior recipient of a TEXAS Grant award who is an undergraduate enrolled at a public institution who qualifies through one of the following three pathways:
  - Is enrolled as an undergraduate at a public 2-year institution and previously received a TEXAS Grant IY award prior to fall 2014 at a public 2-year institution; **OR**
  - Is enrolled as an undergraduate in a baccalaureate program at a public 4-year institution or HRI and previously received a TEXAS Grant IY award prior to fall 2014 at a public 2-year institution, 4-year public institution, or HRI; **OR**
  - Is enrolled as an undergraduate in a baccalaureate program at a public 4-year institution or HRI and received a TEXAS Grant IY award in fall 2014 or later.
- Not have been convicted of a felony or crime involving a controlled substance or under the law of any jurisdiction involving a controlled substance as defined by Chapter 481, Health and Safety Code (Texas Controlled Substances Act)

### CONTROLLED SUBSTANCE RESTRICTIONS (19 TAC, SECTION 22.230)

Institutions are required to collect a statement (electronic or paper) from each TEXAS Grant recipient prior to the disbursement of funds confirming eligibility in regard to the controlled substance restrictions of the program. This statement must be retained with the student’s records at the institution and be made available if requested in the course of a program review or audit. Each statement must be retained for 7 years after the student’s completion of the award period. (See TAC, Section 22.4(a)(2)(A)).

The institution has the flexibility to determine the wording of the statement and the frequency with which it is collected. A sample statement is provided below:

![Sample Statement](image)

A student is not eligible to receive a TEXAS Grant award if convicted of a felony or an offense under the law in any jurisdiction involving a controlled substance as defined in Chapter 481, Health and Safety Code (Texas Controlled Substances Act), unless he or she meets all other eligibility requirements and one of the following conditions exists:

- A certificate of discharge by the Texas Department of Criminal Justice or a correctional facility has been issued or the student completed a period of probation ordered by a court, and at least two years have elapsed from the date of the receipt, or completion; **or**
- The student has been pardoned or the record of the offense has been expunged from the student’s record and therefore the student has been released from the resulting ineligibility to receive a TEXAS Grant.

NOTE: Institutions should consult with their legal counsel concerning questions about individual cases.
SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)

In accordance with TEC, 51.9095, male students may not receive financial assistance without filing a Selective Service Status Statement with their institution or other entity granting or guaranteeing the assistance. Financial assistance includes grants, scholarships, loans or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

When is a statement NOT required?

A Selective Service Status Statement is not required when a student’s registration is confirmed on the Institutional Student Information Record (ISIR). The confirmation on the ISIR will serve as the student’s signed statement since the Department of Education validates registration directly with the Selective Service System (SSS) through a database match for male students who complete the Free Application for Federal Student Aid (FAFSA).

When is a statement required?

- For a male student that completes a FAFSA but is flagged “not registered” on the ISIR, the institution must determine the student’s status.
  - If the student is registered, the institution must collect the status statement and proof of registration which can be used for subsequent semesters.
  - If the student is exempt, the institution must collect the status statement and proof of exemption based on the student’s circumstances. The institution can determine what additional documentation to collect to verify the exemption.
- For a male student that does not complete a FAFSA, the required status statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

REPROCESSED ISIRS

If the student’s most recent ISIR transaction has been reprocessed by the Central Processing System (CPS) and the registration with SSS was confirmed, the institution does not need to collect the status statement or any documentation.
**DISCONTINUATION OF ELIGIBILITY (19 TAC, SECTION 22.230)**

Unless an extension of eligibility (due to a hardship circumstance) is granted, a student’s eligibility ends if any of the following maximums have been met, or the student earns a baccalaureate degree, whichever comes first.

<table>
<thead>
<tr>
<th>PATHWAY</th>
<th>IF ENROLLED IN A DEGREE PLAN OF 4 YEARS OR LESS</th>

• HIGH SCHOOL GRADUATE  
• TEOG TRANSFER  
• MILITARY DISCHARGE | 5 years from the first semester awarded | 6 years from the first semester awarded | 150 SCH | 150 SCH  
No hardship allowed |

**Atattempted hours** is defined as every course in every semester for which a student has been registered as of the official census date. This includes, but is not limited to, repeated courses, courses the student drops, or those from which the student withdraws. Transfer hours and hours for optional internship and cooperative education courses are included if they are accepted by the receiving institution as counting towards the student’s current program of study (See 19 TAC, Section 22.230).

**HARDSHIP PROVISIONS (19 TAC, SECTION 22.231)**

A student who is ineligible for a TEXAS Grant based on the requirements for the grade point average (GPA), number of completed hours, and total hours enrolled may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

⚠️ **STOP:** A prorated award may be issued to a student who is enrolled in six to eight hours in the last two semesters of his or her degree program. However, no student enrolled for fewer than six hours may receive a TEXAS Grant award, regardless of the circumstances, including graduation.
SATISFACTORY ACADEMIC PROGRESS (SAP) (19 TAC, SECTION 22.229)

At the end of the first academic year, a student must meet SAP requirements set by the institution to be eligible for a first RY award.

At the end of the second academic year, and all subsequent years, a student must have completed 24 SCHs and have a minimum 2.5 cumulative GPA or its equivalent.

The chart below reflects these requirements, which must be monitored to ensure compliance:

<table>
<thead>
<tr>
<th>ACADEMIC YEAR</th>
<th>SAP REQUIREMENTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>END OF 1ST ACADEMIC YEAR</td>
<td>Institution SAP policy</td>
</tr>
<tr>
<td>END OF 2ND ACADEMIC YEAR AND ALL SUBSEQUENT YEARS</td>
<td>Complete 24 SCH in the most recent academic year</td>
</tr>
</tbody>
</table>

**NOTE:** A student who does not meet the GPA requirement at the end of a spring term may appeal to have courses taken at other institutions included in the GPA calculation. In this case, all grade points previously earned must be included in the overall GPA calculation. If the resulting GPA meets or exceeds the program’s academic progress requirement, an otherwise eligible student may receive an award in the following term.

AWARDING

If allocated funds are insufficient to award all eligible students, first priority must be given to students who are eligible for an RY award (See 19 TAC, Section 22.232).

After all eligible RY awards have been funded; remaining allocated funds should be awarded to IY students in a manner that acknowledges the Priority Model and priority deadline expectations:

- Students meeting the Priority Model requirements who also meet the January 15 state priority deadline should be awarded first.
- If funding remains, the next students to be awarded are those who met the January 15 state priority deadline, but who did not meet the Priority Model requirements.
- The balance of remaining funding can be awarded to any eligible student.

In determining who should receive an IY TEXAS Grant award, an institution must give highest priority to students who demonstrate the greatest financial need at the time the award is made (See 19 TAC, Section 22.233).

Beginning in the 2018-19 award year, the reallocation process was eliminated. Institutions have until the close of business on August 1 to request grant funding (or the first working day thereafter if it falls on a weekend or holiday). Extending the award year through August allows institutions to award students attending the summer terms, if otherwise eligible. Students may be issued a total of 3 awards (Fall, Spring, and Summer) in an academic year.

FIRST YEAR APPEALS

If a student completes the first year on academic warning, probation, or on an approved plan, the student can be considered meeting SAP, if the institution’s policy includes such provisions. However, at the end of the second year, the student must meet the program SAP requirements for continued eligibility, unless deemed eligible by the institution under a hardship provision.

FAILING COURSES

The intent of the 24 SCH requirement is to encourage timely progression towards a degree. Since a grade of F is not earned toward a degree, it should not be considered when calculating the student’s completed hours.
TEXAS Grant Semester Maximum

Students receiving a TEXAS Grant cannot exceed the **semester** maximum for fall, spring, and summer.
- The award maximum is $4,896 per semester.
- A student could receive up to $14,688 for the 2019-20 award year.
- Target awards are still encouraged ($2,500 per semester = up to $7,500).

**PRIORITY AWARD MODEL REQUIREMENTS (19 TAC, SECTION 22.228)**

To receive priority consideration for an IY award through the TEXAS Grant program, an eligible student must meet at least one high school graduation requirement in at least two of the following four areas:

**REQUIRED MATCHING (19 TAC, SECTION 22.234)**

Institutions are required to match any tuition and required fees that are not covered by the amount of the TEXAS Grant using other non-loan funds from federal, state, institutional, or outside sources. Funds used for this purpose are frequently referred to as “matching funds”.

**Alert:** A Required Fee, for the purpose of administering the TEXAS Grant Program, includes mandatory fees (required by statute) or discretionary fees (authorized by statute, imposed by the governing board of an institution) and fees that an institution charges to a student as a condition of enrollment at the institution or in a specific course.
OVER AWARDS (19 TAC, SECTION 22.234)

If an award has been disbursed and a student receives other assistance that exceeds the student’s financial need, the institution is not required to adjust the award unless the sum of the excess resources is greater than $300.

LATE DISBURSEMENTS (19 TAC, SECTION 22.235)

Funds that are disbursed after the end of a student’s period of enrollment must be used either to pay the student’s outstanding balance for the period of enrollment, or to make a payment on an outstanding loan received during that period of enrollment. Under no circumstances should funds be released directly to the student in this situation.

PRORATION (19 TAC, SECTION 22.234)

Award amounts must be prorated under the following circumstances:

- Student is enrolled less than 3/4 time, but at least 1/2 time, with an extension of eligibility (due to a hardship circumstance).

<table>
<thead>
<tr>
<th>HARDSHIP PRORATION SCHEDULE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Divide the Maximum award for the semester by 12 and multiply by the number of hours enrolled (6-8 hours)</td>
</tr>
</tbody>
</table>

- The balance of either total attempted hours or eligible program hours while receiving grant funds is less than the total number of hours the student is enrolled.

<table>
<thead>
<tr>
<th>BALANCE OF TOTAL ATTEMPTED HOURS (150 SCH)</th>

<tbody>

<th>BALANCE OF ELIGIBLE PROGRAM HOURS (150 OR 90 SCH)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Balance of hours = 1-5 hours: 25% of the maximum award</td>
</tr>
</tbody>
</table>

For Example: A student has 147 hours and 3 eligible hours remaining. The 3 hours would be prorated using the chart above.

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

When requesting funds, institutions must submit a Funds Request Form (FRF). This form is available through the secure Coordinating Board Pass System (CBPASS) portal on the Student Financial Aid Programs (SFAP) Information Webpage.

Institutions have until the close of business on August 1 (or the first working day thereafter if it falls on a weekend or holiday) to request program funds (See 19 TAC, Section 22.236).

Each biennium, funds not requested in the first year can be carried forward for use in the second year. Any funds not requested in the second year of the biennium become available for redistribution as determined by the THECB.

📍 DEFINITION: A biennium is the two-year state budget period.
RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the SFAP Information Webpage under Online Resources.

STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)

- Institutions have 3 business days after receiving the funds to apply the funds to a student's account.
- Institutions have 6 business days after receiving the funds to return undisbursed funds.
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds.
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award.

AUTHORITY TO TRANSFER FUNDS (19 TAC, SECTION 22.239)

Institutions participating in TEXAS Grant and Texas College Work-Study (TCWS) may transfer up to 10% of the institution’s total annual program allocation or $20,000 (whichever is less) between programs within the relevant fiscal year.

Institutions requesting a transfer between programs must submit an online inquiry by the deadline listed below through CONTACT US (select the “Financial Aid Question” option in the drop-down selection under Contact Reason). The Financial Aid Services staff will respond to the institution to provide next steps for the process.

The Texas Educational Opportunity Grant (TEOG) Program is authorized by TEC, Chapter 56, Section 56.402. Rules establishing procedures to administer the program can be found in Title 19 of the TAC, Chapter 22, Subchapter M. The program is funded by appropriations authorized by the Texas Legislature. The purpose of the TEOG Program is to provide financial assistance to eligible students attending Texas two-year public institutions of higher education.

STATE PRIORITY DEADLINE (TEC, SECTION 56.008 and 19 TAC, SECTION 22.6)

The THECB provides a uniform priority deadline for applications that qualify for state-funded financial assistance in an academic year. General Academic Teaching Institutions (GATIs) in Texas (including Lamar State College-Orange and Lamar State College-Port Arthur) as defined in TEC, Section 61.003(3), must publicize and use January 15 as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. Institutions may define how their students must meet the priority deadline and are encouraged to adopt a policy describing the actions that students must take to meet the deadline.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.255)

Community colleges, public state colleges and public technical institutes are eligible to make initial year (IY) and renewal year (RY) awards. Each eligible institution will have a single allocation each fiscal year to make both IY and RY awards.

ADDITIONAL INFORMATION

TEOG AND TEXAS GRANT IN THE SAME AWARD YEAR

A student may receive a TEOG and TEXAS Grant award during the same award year, if both awards are not received for the same semester or term.

Example:
Student attends a public community college in the fall and receives a TEOG award but transfers to a public university in the spring. A TEXAS Grant can be awarded for the spring semester.

GED

A student who received a GED can be considered eligible for a TEOG if the student is admitted for enrollment as an entering student in the first 30 SCHs of an associate degree or certificate program.

ALERT NEW: Priority Expected Family Contribution (EFC)

The priority EFC set by the THECB should only serve as a method for prioritizing IY awards for eligible students, and is not an eligibility requirement to receive an award. The calculated priority EFC for 2019-20 is $5,875 (See 19 TAC, Section 22.256(a)(8)).
SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)

In accordance with TEC, 51.9095, male students may not receive financial assistance without filing a Selective Service Status Statement with their institution or other entity granting or guaranteeing the assistance. Financial assistance includes grants, scholarships, loans or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

When is a statement NOT required?

A Selective Service Status Statement is not required when a student’s registration is confirmed on the Institutional Student Information Record (ISIR). The confirmation on the ISIR will serve as the student’s signed statement since the Department of Education validates registration directly with the Selective Service System (SSS) through a database match for male students who complete the Free Application for Federal Student Aid (FAFSA).

When is a statement required?

• For a male student that completes a FAFSA but is flagged “not registered” on the ISIR, the institution must determine the student’s status.
  o If the student is registered, the institution must collect the status statement and proof of registration which can be used for subsequent semesters.
  o If the student is exempt, the institution must collect the status statement and proof of exemption based on the student’s circumstances. The institution can determine what additional documentation to collect to verify the exemption.

• For a male student that does not complete a FAFSA, the required status statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

Required Statement of Selective Service Status

Are you currently registered for Selective Service, as required by federal law?

[ ] Registered (Proof of registration required)
[ ] Not Registered
[ ] Exempt (Documentation required)

I, ____________________, hereby certify that the selective service status provided is true and correct. I understand that I must provide documentation, if requested by my institution, and that I may be required to complete a new statement for each academic year for continued eligibility.

______________________________
Student Signature

______________________________
Date

FREQUENCY COLLECTING THE STATEMENT

If the student’s status will NOT change, the statement and supporting documentation can be used for subsequent semesters (e.g., the individual entered the U.S. after the eligible age to register). In the event the student’s status could change, the statement must be collected each academic year until the male student is registered or determined exempt (e.g., student is under 18).

METHOD FOR COLLECTING THE STATEMENT

The institution has discretion to determine how to collect this required status statement, which can be done electronically or on paper (e.g., online form, signed award letter, etc.).

RETENTION SCHEDULE

The status statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each status statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

REPROCESSED ISIRs

If the student’s most recent ISIR transaction has been reprocessed by the Central Processing System (CPS) and the registration with SSS was confirmed, the institution does not need to collect the status statement or any documentation.
CONTROLLED SUBSTANCE RESTRICTIONS (19 TAC, SECTION 22.256)

Institutions are required to collect a statement (electronic or paper) from each TEOG recipient prior to the disbursement of funds confirming eligibility in regard to the controlled substance restrictions of the program. This statement must be retained with the student’s records at the institution and be made available if requested in the course of a program review or audit. Each statement must be retained for 7 years after the students completion of the award period (See TAC, Section 22.4(a)(2)(A)).

The institution has the flexibility to determine the wording of the statement and the frequency with which it is collected. A sample statement is provided below:

A student is not eligible to receive a TEOG award if convicted of a felony or an offense under the law in any jurisdiction involving a controlled substance as defined in Chapter 481, Health and Safety Code (Texas Controlled Substances Act), unless he or she meets all other eligibility requirements and one of the following conditions exists:

- A certificate of discharge by the Texas Department of Criminal Justice or a correctional facility has been issued or the student completed a period of probation ordered by a court, and at least two years have elapsed from the date of the receipt or completion; or
- The student has been pardoned or the record of the offense has been expunged from the student’s record and therefore the student has been released from the resulting ineligibility to receive a TEOG.

NOTE: Institutions should consult with their legal counsel concerning questions about individual cases.

DISCONTINUATION OF ELIGIBILITY (19 TAC, SECTION 22.256)

Unless an extension of eligibility (due to a hardship circumstance) is granted, a student’s eligibility ends if any of the following maximums have been met, or the student earns an associate degree, whichever comes first.

<table>
<thead>
<tr>
<th>TIME LIMIT</th>
<th>ATTEMPTED HOURS**</th>
<th>HOURS WHILE RECEIVING GRANT FUNDS</th>
</tr>
</thead>
<tbody>
<tr>
<td>4 years from the first semester awarded</td>
<td>75 SCH</td>
<td>75 SCH (no hardship allowed)</td>
</tr>
</tbody>
</table>

**Attempted hours** is defined as every course in every semester for which a student has been registered as of the official census date. This includes, but is not limited to repeated courses, courses the student drops or those that the student withdraws from. For transfer students, the transfer hours and hours for optional internship and cooperative education courses are included if they are accepted by the receiving institution towards the student’s current program of study (See 19 TAC, Section 22.254).
**HARDSHIP PROVISIONS (19 TAC, SECTION 22.257)**

A student who is ineligible for a TEOG award based on grade point average (GPA) or completion rate for satisfactory academic progress, or enrollment less than half-time (due to an unforeseen circumstance) may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, upon request.

**Satisfactory Academic Progress (SAP) (19 TAC, SECTION 22.256)**

At the end of the first academic year, a student must meet the SAP requirements set by the institution to be eligible for a first RY award.

At the end of the second academic year, and all subsequent years, a student must have completed 75% of total attempted hours and have a minimum 2.5 cumulative GPA or its equivalent.

The chart below reflects these requirements, which must be monitored to ensure compliance.

<table>
<thead>

<td>Institutional SAP policy</td>
</tr>
<tr>
<td><strong>End of 2nd Academic Year and All Subsequent Years</strong></td>

</tr>
</tbody>
</table>

**NOTE:** A student who does not meet the GPA requirement at the end of a spring term may appeal to have courses taken at other institutions included in the GPA calculation. In this case, all grade points previously earned must be included in the overall GPA calculation. If the resulting GPA meets or exceeds the program’s academic progress requirement, an otherwise eligible student may receive an award in the following term.
AWARDING

If allocated funds are insufficient to allow awards to all eligible students, first priority must be given to students that are eligible for an RY award (See 19 TAC, Section 22.258).

In determining who should receive an IY TEOG award, an institution must give highest priority to students who demonstrate the greatest financial need at the time the award is made (See 19 TAC, Section 22.259).

Beginning in the 2018-19 award year, the reallocation process was eliminated. Institutions have until the close of business on August 1 to request grant funding (or the first working day thereafter if it falls on a weekend or holiday). Extending the award year through August allows institutions to award students attending the summer terms, if otherwise eligible. Students may be issued a total of 3 awards (Fall, Spring, and Summer) in an academic year.

**TEOG Semester Maximum**

Students receiving a TEOG cannot exceed the semester maximum for fall, spring, and summer.

- Awards for each semester are still based on the student’s enrollment status at census.

**REQUIRED MATCHING (19 TAC, SECTION 22.260)**

Institutions are required to cover the cost of tuition and required fees that exceed the TEOG award amount using other non-loan funds from federal (excluding Pell grants), state, institutional, or outside sources. Funds used for this purpose are frequently referred to as “matching funds”.

⚠️ **ALERT:** Institutions are required to match funds for all TEOG recipients, regardless if the student is charged in-district or out-of-district tuition and fees.

**OVER AWARDS (19 TAC, SECTION 22.260)**

If an award has been disbursed and a student receives other assistance that exceeds the student’s financial need, the institution is not required to adjust the award unless the sum of the excess resources is greater than $300.

**LATE DISBURSEMENTS (19 TAC, SECTION 22.261)**

Funds that are disbursed after the end of a student’s period of enrollment must be used either to pay the student’s outstanding balance for the period of enrollment, or to make a payment on an outstanding loan received during that period of enrollment. Under no circumstances should funds be released directly to the student in this situation.
PRORATION

All TEOG award amounts must be prorated in relation to the student’s enrollment status as of the census date of a regular semester (See 19 TAC, Section 22.260).

Award amounts must also be prorated in one of the following situations:

- Student is enrolled less than half-time with an extension of eligibility (due to a hardship circumstance).

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

When requesting funds, institutions must submit a Funds Request Form (FRF). This form is available through the secure Coordinating Board Pass System (CBPASS) portal on the Student Financial Aid Programs (SFAP) Information Webpage.

Institutions will have until the close of business on August 1 (or the first working day thereafter if it falls on a weekend or holiday) to request program funds (See 19 TAC, Section 22.262).

Each biennium, funds not requested in the first year can be carried forward for use in the second year. Any funds not requested in the second year of the biennium become available for redistribution as determined by the THECB.

NOTE: Funding that has been allocated for use in the second year of a biennium cannot be requested in advance during the first year.

DEFINITION: A biennium is the two-year state budget period.
RETURNING PROGRAM FUNDS

A **Return of Funds Form (RFF)** must be submitted and approved before any funds are returned to the THECB. This form is available on the SFAP Information Webpage under **Online Resources**.

**STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)**

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account.
- Institutions have 6 business days after receiving the funds to return undisbursed funds.
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds.
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award.

**AUTHORITY TO TRANSFER FUNDS (19 TAC, SECTION 22.265)**

Institutions participating in TEOG and Texas College Work-Study (TCWS) may transfer up to 10% of the institution’s total annual program allocation or $20,000 (whichever is less) between programs within the relevant fiscal year. Institutions requesting a transfer between programs must submit an online inquiry by the deadline listed below through **CONTACT US** (select the “Financial Aid Question” option in the drop-down selection under Contact Reason). The Financial Aid Services staff will respond to the institution to provide next steps for the process.

TUITION EQUALIZATION GRANT PROGRAM

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.21)

The Tuition Equalization Grant (TEG) Program was authorized by TEC Chapter 61, Section 61.221. Rules establishing procedures to administer the subchapter can be found in Title 19 of the TAC, Chapter 22, Subchapter B. The program is funded by appropriations by the Texas Legislature. The purpose of the TEG Program is to promote the best use of existing educational resources and facilities within this state, both public and private, by providing need-based grants to Texas residents attending approved private or independent Texas colleges or universities.

STATE PRIORITY DEADLINE (TEC, SECTION 56.008 and 19 TAC, SECTION 22.6)

The THECB provides a uniform priority deadline for applications that qualify for state-funded financial assistance in an academic year. General Academic Teaching Institutions (GATIs) in Texas, as defined in TEC, Section 61.003(3), must publicize and use January 15 as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. Institutions may define how their students must meet the priority deadline and are encouraged to adopt a policy describing the actions that students must take to meet the deadline.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.23)

Any college, university or branch campus, defined as a private or independent institution of higher education, is eligible to participate in the TEG Program (See TEC, Section 61.003(15)).

Each participating institution will have a single allocation in which initial year (IY), also known as first awards, and renewal year (RY), also known as subsequent awards, can be made.
# Eligibility

## Eligibility Requirements (19 TAC, Section 22.24)

**To receive a first award, a student must:**

- Be classified by the institution as a Texas resident
- Be registered with Selective Service, or be exempt
- Have financial need
- Be enrolled at least 3/4 time
- Be an undergraduate or graduate student enrolled in degree plan leading to a first associate, baccalaureate, master's, professional, or doctoral degree (excluding degree plans that are intended to lead to religious ministry)
- Maintain satisfactory academic progress as determined by the institution
- Not have earned a degree for which they are currently enrolled
- Not be a recipient of an athletic scholarship (i.e., the student is obliged to play an intercollegiate sport as a result of receiving the scholarship) during the semester(s) TEG is awarded
- Be required to pay more tuition than is required at a comparable public college or university and be charged no less than the tuition required of all similarly situated enrolled at the institution

**To receive a continuation award, a student must:**

- Meet all the first award requirements
- Maintain satisfactory academic progress
  - See SAP section, pg. 22

**STOP:** Beginning with the 2017-18 academic year, non-resident National Merit Scholarship finalists are no longer eligible for a TEG award and there is no grandfathering provision included in this change.
SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)

In accordance with **TEC, 51.9095**, male students may not receive financial assistance without filing a **Selective Service Status Statement** with their institution or other entity granting or guaranteeing the assistance. Financial assistance includes grants, scholarships, loans or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

**When is a statement NOT required?**

A **Selective Service Status Statement** is not required when a student’s registration is confirmed on the Institutional Student Information Record (ISIR). The confirmation on the ISIR will serve as the student's signed statement since the Department of Education validates registration directly with the Selective Service System (SSS) through a database match for male students who complete the Free Application for Federal Student Aid (FAFSA).

**When is a statement required?**

- For a male student that completes a FAFSA but is flagged “not registered” on the ISIR, the institution must determine the student’s status.
  - If the student is **registered**, the institution must collect the status statement and proof of registration which can be used for subsequent semesters.
  - If the student is **exempt**, the institution must collect the status statement and proof of exemption based on the student’s circumstances. The institution can determine what additional documentation to collect to verify the exemption.
- For a male student that does not complete a FAFSA, the required status statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

DISCONTINUATION OF ELIGIBILITY (19 TAC, SECTION 22.24)

HARDSHIP PROVISIONS (19 TAC, SECTION 22.24)

A student who is ineligible for a TEG award based on grade point average (GPA), completion rate, or number of completed hours for satisfactory academic progress, or enrollment less than three-quarter time may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, upon request.
SATISFACTORY ACADEMIC PROGRESS (SAP) [19 TAC, SECTION 22.24]

At the end of the first academic year, a student must meet the SAP requirements set by the institution to be eligible for a continuation award.

At the end of the second academic year, and all years thereafter, undergraduates must have completed 24 semester credit hours (SCH) in the most recent academic year, with a 75% completion rate for hours attempted in that year, and must have a minimum 2.5 cumulative GPA or its equivalent. Graduate students must have completed 18 SCH in the most recent academic year, with a 75% completion rate for hours attempted in that year, and must have a minimum 2.5 cumulative GPA or its equivalent.

The chart below reflects requirements, which must be monitored to ensure compliance.

NOTE: A student who does not meet the program GPA requirement at the end of a spring term may appeal to have courses taken at other institutions included in the GPA calculation. In this case, all grade points previously earned must be included in the overall GPA calculation. If the resulting GPA meets or exceeds the program's academic progress requirement, an otherwise eligible student may receive an award in the following fall term.

ADDITIONAL INFORMATION

FIRST YEAR APPEALS

If a student who completes the first year on academic warning, probation, or on an approved plan, the student can be considered meeting SAP, if the institution's policy includes such provisions. However, at the end of the second year, the student must meet the program SAP requirements for continued eligibility, unless deemed eligible by the institution under a hardship provision.

FAILING COURSES

The intent of the 24/18 SCH requirement is to encourage timely progression towards a degree. Since a grade of F is not earned toward a degree, it should not be considered when calculating the student's completed hours. Failing grades must be considered attempted hours, and therefore counted in the calculation of a student's completion rate.
AWARDING

A TEG award amount for a term or semester may not exceed a student’s financial need or tuition differential for that term or semester or the program maximum for the academic year, whichever is least. Undergraduate students with exceptional financial need may receive up to 150% of the program maximum award (See 19 TAC, Section 22.26). Exceptional financial need is defined as the need an undergraduate student has if his or her expected family contribution (EFC) is less than or equal to $1,000 (See 19 TAC, Section 22.22).

Beginning in the 2018-19 award year, the reallocation process was eliminated. Institutions have until the close of business on August 1 to request grant funding (or the first working day thereafter if it falls on a weekend or holiday). Extending the award year through August allows institutions to award students attending the summer terms, if otherwise eligible. Students may be issued a total of 3 awards (Fall, Spring, and Summer) in an academic year.

TEG Annual Maximum
Students receiving a TEG cannot exceed the annual maximum.
- A student may receive up to the annual maximum amount of $3,420 (Undergraduates with Exceptional need may receive up to $5,130).
- Total awards for fall, spring and summer terms cannot exceed the annual maximum.
- TEG does NOT have a semester maximum.

**TUITION DIFFERENTIAL (19 TAC, SECTION 22.22)**

Tuition differential is defined as the difference between the tuition paid at a private or independent institution and the tuition the student would have to pay to attend a comparable public institution in Texas. Fees are not included in this calculation, only tuition rates.

The Southern Association of Colleges and Schools (SACS) identifies institutions by the highest levels of degrees they offer. These levels are being used by the THECB to identify “comparable” institutions for the purpose of calculating tuition differentials, regardless of accreditation. The following table shows average resident undergraduate and graduate tuition rates per SCH for public institutions at various SACS levels for the 2019-20 academic year.

These amounts should be used by the institution to derive tuition differentials by using the student’s total SCH and multiplying the tuition rate provided (see Appendix 1 for individual institutional program levels).

If a student officially withdraws or the amount of a student's disbursement exceeds the amount the student is eligible to receive, the institution must follow its institutional refund policy in determining the amount by which the award must be reduced.

- These funds should be re-awarded to other eligible students attending the institution. If funds cannot be re-awarded, they should be returned to the THECB no later than the end of the state fiscal year for which they were allocated to the institution.
- If the student withdraws or drops classes after the end of the institution's refund period, no refunds to the program are due.

**PROCESSING FUNDS**

**REQUESTING PROGRAM FUNDS**

When requesting funds, institutions must submit a [Funds Request Form (FRF)](#). This form is available through the secure Coordinating Board Pass System (CBPASS) portal on the Student Financial Aid Programs (SFAP) Information Webpage.

Institutions have until the close of business on **August 1** (or the first working day thereafter if it falls on a weekend or holiday) to request program funds (See [19 TAC, Section 22.29](#)).

Each biennium, funds not requested in the first year can be carried forward for use in the second year. Any funds not requested in the second year of the biennium become available for redistribution as determined by the THECB.

**NOTE:** Funding that has been allocated for use in the second year of a biennium cannot be requested in advance during the first year.

💡 **DEFINITION:** A biennium is the two-year state budget period.
RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the SFAP Information Webpage under Online Resources.

STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account.
- Institutions have 6 business days after receiving the funds to return undisbursed funds.
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds.
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award.

AUTHORITY TO TRANSFER FUNDS (19 TAC, SECTION 22.30)

Institutions participating in TEG and Texas College Work-Study (TCWS) may transfer up to 10% of the institution’s total annual program allocation or $20,000 (whichever is less) between programs within the relevant fiscal year. Institutions requesting a transfer between programs must submit an online inquiry by the deadline listed below through CONTACT US (select the “Financial Aid Question” option in the drop-down selection under Contact Reason). The Financial Aid Services staff will respond to the institution to provide next steps for the process.

TEXAS ARMED SERVICES SCHOLARSHIP PROGRAM

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.163)
The Texas Armed Services Scholarship Program (TASSP) is authorized by TEC, Chapter 61, Subchapter A, Section 61.9771. Rules establishing procedures to administer the subchapter can be found in Title 19 of the TAC, Chapter 22, Subchapter I. The purpose of the TASSP is to encourage students to become members of the Texas Army National Guard, Texas Air National Guard, Texas State Guard, United States Coast Guard or United States Merchant Marine, or to become commissioned officers in any branch of the armed services of the United States.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.164)
Public institutions of higher education, as defined in TEC, Section 61.003, and private or independent institutions of higher education, as defined in TEC, Section 61.003(15), can participate.
ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.166 & 22.167)

This year the governor, lieutenant governor, state senator or state representative have until **July 31, 2019** to appoint initial TASSP award candidates.

The governor and the lieutenant governor may each appoint two students and two alternates. Each state senator and state representative may appoint one student and one alternate.

**TO RECEIVE AN APPOINTMENT, A STUDENT MUST MEET TWO OF THE FOUR CRITERIA:**

- Be on track to graduate or graduated high school with the Distinguished Achievement Program (DAP), or the International Baccalaureate (IB) Program
- Have a high school grade point average GPA of 3.0 or higher on a 4.0 scale
- Achieved a college readiness score on the SAT (1070) or ACT (23)
- Be ranked in the top one-third of the prospective high school graduating class

**TO RECEIVE AN INITIAL AWARD, A STUDENT MUST:**

- Be registered with Selective Service, or be exempt
- Be enrolled in and good standing in a Reserve Officers Training Corps (ROTC), or another undergraduate officer commissioning program, as certified by the institution
- Enter into a written agreement with the THECB to:
  - Complete four years of ROTC training, or its equivalent if the institution awards ROTC credit for prior service in any branch of the US Armed Services or the Texas Army National Guard, Texas Air National Guard, US Coast Guard, or US Merchant Marine, or another undergraduate officer commissioning program
  - Graduate no later than six years after the date first enrolled after receiving a high school diploma or General Educational Diploma (GED) or its equivalent
  - No later than six months after graduation, enter into and provide the THECB with verification of:
    - A four-year commitment to be a member of the Texas Army National Guard, Texas Air National Guard, Texas State Guard, United States Coast Guard, or United States Merchant Marine; **OR**
    - A contract to serve as a commissioned officer in any branch of the armed services of the United States;
  - Meet the physical examination and all prescreening requirements of the entity with which the student enters into a contract

**ADDITIONAL INFORMATION**

**TASSP APPLICATION PROCESS**

- Students can identify a legislator by visiting, **Who Represents Me**.
- Submit a Texas Armed Services Scholarship Appointment Application to the governor’s office, or call (512) 463-1828 .
- To contact the lieutenant governor’s office, a student can call (512) 463-0001.

If selected, the student will receive a Notice of Selection letter.

**LOAN CERTIFICATION**

1. Once the student is enrolled in an eligible institution and ROTC program, the Notice of Selection letter must be provided to the financial aid office.
2. The financial aid office will certify the student’s program eligibility with the THECB.
3. Once the THECB receives the institution’s eligibility certification, the student will complete the TASSP application at Loans Online.

**APPLICATION DEADLINE**

Students must complete their TASSP online application by October 15, 2019.

**STOP:** If a student fails to meet the requirements to initially receive a TASSP award or fails to complete the application process by October 15, the student forfeits the award. THECB will notify the legislative office of their nominee’s change in eligibility so the legislator can submit an alternate student (See **19 TAC, Section 22.166(e)**).
RENEWAL ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.169)

TO RECEIVE A CONTINUATION AWARD, A STUDENT MUST:

- Maintain program satisfactory academic progress (SAP), as defined by the THECB
- Continue to be a member of the Reserve Officers’ Training Corps (ROTC) or another undergraduate officer commissioning program
- Not have earned a baccalaureate degree or a cumulative total of 150 credit hours, including transferred hours, as verified by the student’s institution of higher education.

STOP: Effective May 2018 (See 19 TAC, SECTION 22.170(b)), if the student fails to meet any of the conditions for continued eligibility, the student:
- Cannot regain award eligibility in a subsequent academic year
- Loses eligibility to receive any future awards
- Loses eligibility to have his or her existing loans forgiven

REPLACEMENT AWARDS

Students who fail to meet the program eligibility requirements for a continuing award and who have not exhausted all of the eligible scholarships will be replaced. The “replacement” will be eligible for any remaining program scholarships. The total scholarships given to the initial award recipient and the replacement cannot exceed four awards. The THECB will contact the nominating official who initially appointed the award recipient and request a replacement. The appointed replacement will be notified of their award by the THECB and has 60 days to notify their institution of their eligibility and complete their loan application; otherwise the award will be forfeited.

SATISFACTORY ACADEMIC PROGRESS (SAP) (19 TAC, SECTION 22.169)

At the end of every academic year, a student must have completed 24 semester credit hours (SCH) and have a minimum 2.5 cumulative grade point average (GPA).

The chart below reflects the program SAP requirements which must be monitored to ensure compliance:

<table>
<thead>
<tr>

NOTE: Maximum for cumulative semester hours earned includes transfer hours, as verified by the institution.

AWARDING

The TASSP award maximum is determined and announced annually by the THECB. A student cannot receive a TASSP award for more than four of the six years that are allowed for a student to graduate. The award must be reduced by the amount paid to the student for being under contract with one of the branches of the armed services, if the combined total exceeds the student’s total cost of attendance (COA) for that academic year (See 19 TAC, Section 22.165).

**SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)**

In accordance with TEC, 51.9095, male students may not receive financial assistance without filing a Selective Service Status Statement with their institution or other entity granting or guaranteeing the assistance. Financial assistance includes grants, scholarships, loans or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

---

**When is a statement NOT required?**

A Selective Service Status Statement is not required when a student’s registration is confirmed on the Institutional Student Information Record (ISIR). The confirmation on the ISIR will serve as the student’s signed statement since the Department of Education validates registration directly with the Selective Service System (SSS) through a database match for male students who complete the Free Application for Federal Student Aid (FAFSA).

---

**When is a statement required?**

- For a male student that completes a FAFSA but is flagged “not registered” on the ISIR, the institution must determine the student’s status.
  - If the student is registered, the institution must collect the status statement and proof of registration which can be used for subsequent semesters.
  - If the student is exempt, the institution must collect the status statement and proof of exemption based on the student’s circumstances. The institution can determine what additional documentation to collect to verify the exemption.
- For a male student that does not complete a FAFSA, the required status statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

---

**ADDITIONAL INFORMATION**

**FREQUENCY COLLECTING THE STATEMENT**

If the student’s status will NOT change, the statement and supporting documentation can be used for subsequent semesters (e.g., the individual entered the U.S. after the eligible age to register).

In the event the student’s status could change, the statement must be collected each academic year until the male student is registered or determined exempt (e.g., student is under 18).

**METHOD FOR COLLECTING THE STATEMENT**

The institution has discretion to determine how to collect this required status statement, which can be done electronically or on paper (e.g., online form, signed award letter, etc.).

**RETENTION SCHEDULE**

The status statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each status statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

**REPROCESSED ISIRS**

If the student’s most recent ISIR transaction has been reprocessed by the Central Processing System (CPS) and the registration with SSS was confirmed, the institution does not need to collect the status statement or any documentation.
CERTIFYING FUNDS

Institutions have until October 1, 2019 to certify TASSP loans. Funds will not be disbursed until the promissory note is signed by the borrower. Financial Aid Administrator can certify TASSAP awards using the following two methods:

- Certify the loan through the HelmNet loan portal; OR
- Submit a Commonline Loan Certification File using the MOVEit DMZ secure file transfer portal.

LOAN PROCESS FLOW

Below is the loan process flow that occurs when a borrower completes a TASSP application:

1. **Certification**
   - Institution submits the certification online or by commonline file transfer

2. **Online Application**
   - Student completes the online application, submits promissory note and the Private Education Loan Applicant Self Certification form

3. **Private Education Loan Approval Disclosure**
   - The Private Education Loan Approval Disclosure or "LAD" is mailed to the student with instructions on how to accept the loan terms

4. **Loan Terms Accepted**
   - Student logs onto HelmNet to electronically complete and acknowledge the Loan Acceptance Disclosure Agreement

5. **Private Education Loan Final Approval Disclosure**
   - Private Education Loan Final Approval Disclosure or "Loan Consummation Disclosure (LCD)" is mailed to the student informing them of their Right to Cancel and indicating the earliest date for delivery of funds

6. **Funding**
   - Funds can be scheduled for disbursement after the cancellation period has expired

The earliest a loan can be disbursed is 11 business days after the LCD is mailed to borrower.
RETURNING PROGRAM FUNDS

A **Return of Funds Form (RFF)** must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under **Online Resources**.

**STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)**

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account.
- Institutions have 6 business days after receiving the funds to return undisbursed funds.
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds.
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award.

REQUESTING LOAN CHANGES

**ALERT NEW: REQUIRED CONTACT US INQUIRY INFORMATION**

To ensure inquiries are routed correctly, the following steps must be completed:

- **Received From:** Select Institution
- **Institution:** Enter the Institution’s Full Name
- **Contact Reason:** Select Financial Aid Question (regardless of the inquiry reason)

Enter the following information in the Description box:

- HelmNet Loan portal ID
- Commonline Unique ID #: (16 Characters)
- Student’s first name, last name, and middle initial
- Last four digits of the student’s SSN

Provide a detailed explanation of the change needed:

- **Unclear request:** “Please update the loan disbursement to 04-01-2019”.
- **Clear request:** “Please update loan disbursement #1 from 01-15-2019 to 04-01-2019”.
FORGIVENESS REQUIREMENTS (19 TAC, SECTION 22.170)

A TASSP award is eligible for forgiveness if the student meets the terms of the TASSP agreement and submits a TASSP Annual Certification Form. To qualify for TASSP loan forgiveness, a student must agree to the following terms:

- Complete four years of ROTC training, or its equivalent (if the institution awards ROTC credit for prior service in any branch of the US Armed Services or the Texas Army National Guard, Texas Air National Guard, US Coast Guard, or US Merchant Marine, or another undergraduate officer commissioning program),
- Graduate from college no later than six years after the date first enrolled after receiving a high school diploma or General Educational Diploma (GED) or its equivalent, and
- No later than six months after college graduation, enter into:
  - A four-year commitment to be a member of the Texas Army National Guard, Texas Air National Guard, Texas State Guard, United States Coast Guard, or United States Merchant Marine; OR
  - A contract to serve as a commissioned officer in any branch of the armed services of the United States;

If a student requires a temporary leave of absence from the institution and/or the ROTC or another undergraduate officer commissioning program for personal reasons or to provide service for the Texas Army National Guard, Texas Air National Guard, Texas State Guard, United States Coast Guard, or United States Merchant Marine for fewer than twelve months, the THECB may agree to not convert the scholarship award to a loan during that time.

- If a student is required to provide more than twelve months of service, the THECB can grant that student additional time to meet the graduation and service requirements specified in the TASSP agreement.

CONVERSION OF THE SCHOLARSHIP TO A LOAN (19 TAC, SECTION 22.170)

If a student fails to meet the TASSP continuation award or forgiveness requirements, the scholarship will be converted to a loan. The student will have a 6-month grace after the scholarship becomes a loan before repayment begins; however, interest begins to accrue on the date the scholarship is converted to a loan. The TASSP loan has a 15-year repayment period, and a required minimum monthly payment of $100, or an amount required to repay the loan within 15 years, whichever is greater. The TASSP interest rate will be the same rate charged for a College Access Loan at the time the funds were disbursed. If a past due payment amount is not received within 20 days of the scheduled due date, a past due penalty of 5 percent of the scheduled monthly payment or five dollars, whichever is less, will be charged.

Note: Students experiencing a medical disability, or any type of financial hardship can apply for postponed or reduced payments and cancellation (medical disability only) of their TASSP loan by submitting a General Postponement Request.

ALERT NEW: ANNUAL STUDENT LOAN DEBT DISCLOSURE (19 TAC, SECTION 21.45)

All participating institutions must provide students with a letter, in an electronic format, estimating each student’s total loan obligations, at least once a year. The purpose of this letter is to provide students with timely information on their education loan debt so they can make informed decisions about student loan borrowing.

Student loan debt disclosures must include:
- All education loan debt from the National Student Loan Data System (NSLDS), as well as information that the institution may reasonably collect from its own records.
- Any estimates of the unpaid amount of state, federal, and other education loans obtained by the student (if reasonably available to the institution); the types of education loans must be identified for each total included.
- An estimate of the total payoff amount or a range for that amount, including principal and interest.
- An estimate of monthly repayment amount, including principal and interest.

*At a minimum, institutions shall provide this information based on a 10-year repayment plan.

NOTE: This guidance may change based on recent legislative activity; any necessary updates will be provided accordingly.
The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 20 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (19 TAC, SECTION 22.329)

The Texas B-On-Time (BOT) Loan Program is authorized by TEC, Chapter 56, Section 56.0092. Rules establishing procedures to administer the program can be found in Title 19 of the TAC, Chapter 22, Subchapter Q. The purpose of the BOT Loan Program is to improve and increase access to higher education in Texas.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.331)

Public and private/independent institutions of higher education, as defined in TEC Section 61.003 (8), are eligible to make renewal awards only under the BOT Loan Program.
ELIGIBILITY

ELIGIBILITY REQUIREMENTS (19 TAC, SECTION 22.333)

**ALERT:** Beginning with the 2015-16 academic year, renewal awards only are authorized for the BOT Loan Program.

TO RECEIVE A RENEWAL AWARD, A STUDENT MUST:

- Be classified by the institution as a Texas resident or be entitled to pay resident tuition rates as a dependent child of a member of the U.S. armed forces
- Be registered with Selective Service, or be exempt
- Be eligible to receive federal financial aid
- Be enrolled full-time in a baccalaureate degree program
- Have completed at least 75 percent of the hours attempted in the most recent academic year
- Maintain an overall Grade Point Average (GPA) of at least 2.5 on a four-point scale or its equivalent for all coursework attempted
- Be an undergraduate baccalaureate student that previously received an initial award
- Have not earned a baccalaureate degree

AWARDING

In determining the amount of a BOT award, students can receive funding only up to their cost of attendance (COA). A student’s COA includes tuition and fees, allowances for books and supplies, room and board, transportation expenses, and miscellaneous personal expenses. When certifying a BOT loan, the institution is confirming that the amount of the loan does not exceed the difference between the COA and other forms of student assistance (except Federal Plus loans) for which the student is eligible (See 20 TAC, Section 22.334).

SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)

In accordance with **TEC, 51.9095**, male students may not receive financial assistance without filing a **Selective Service Status Statement** with their institution or other entity granting or guaranteeing the assistance. Financial assistance includes grants, scholarships, loans or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

SATISFACTORY ACADEMIC PROGRESS (SAP) *(19 TAC, SECTION 22.333)*

DISCONTINUATION OF ELIGIBILITY *(19 TAC, SECTION 22.333)*

A student may not receive a BOT loan for more than 150 semester credit hours or the equivalent.

If, in any given academic period, a student is no longer enrolled full-time and the THECB does not receive a refund of the BOT loan for that period, the dropped courses will be counted towards the calculation of the 150 SCH limit.

HARDSHIP PROVISIONS *(19 TAC, SECTION 22.335)*

A student who is ineligible for the BOT Loan based on course load and completion requirements may be deemed eligible under a hardship provision. Participating institutions must adopt a hardship policy and have the policy available for public review upon request. All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

PROCESSING FUNDS

CERTIFYING FUNDS

Funds will not be disbursed until the promissory note is signed by the borrower. Financial Aid Administrators can certify BOT loans using the following two methods:

- Certify the loan through the [HelmNet](#) loan portal; OR
- Submit a [Commonline Loan Certification File](#) using the [MOVEit DMZ](#) secure file transfer portal.

Institutions can begin disbursing loan funds after September 1, 2019 for the 2019-20 academic year.
**LOAN PROCESS FLOW**

Below is the loan process flow that occurs when a borrower completes a BOT application:

1. **Certification**
   - Institution submits the certification online or by commonline file transfer

2. **Online Application**
   - Student completes the online application, submits promissory note and the Private Education Loan Applicant Self Certification form

3. **Private Education Loan Approval Disclosure**
   - The Private Education Loan Approval Disclosure or "LAD" is mailed to the student with instructions on how to accept the loan terms

4. **Loan Terms Accepted**
   - Student logs onto HelmNet to electronically complete and acknowledge the Loan Acceptance Disclosure Agreement

6. **Funding**
   - Funds can be scheduled for disbursement after the cancellation period has expired

The earliest a loan can be disbursed is 11 business days after the LCD is mailed to borrower.

**RETURNING PROGRAM FUNDS**

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs (SFAP) Information Webpage under Online Resources.

**STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)**

- Institutions have 6 business days after receiving the funds to return undisbursed funds.
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds.
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award.
REQUESTING LOAN CHANGES

STOP: REINSTATING CANCELED LOANS

Institutions can send a request in writing to reinstate a canceled loan or disbursement through CONTACT US. Requests received more than 60 days after the end of the loan period will not be processed.

Common reasons why loans are canceled by the THECB:

- Student did not approve the Loan Acceptance Disclosure (LAD) within 45 days of loan certification.
- Student was reported by the National Student Clearinghouse (NSC) database as enrolled less than half-time.
- Student contacted the THECB and canceled the loan without informing the institution.

A BOT loan can never exceed the annual maximum amount certified by the institution, but there are several common situations where a BOT loan can be increased. Loan changes can be requested in writing through the CONTACT US link found on the SFAP webpage.

- The institution certifies a loan and the student cancels all or part of the loan but later ends up needing the money during the loan period. The institution can request, in writing through CONTACT US, that the loan be increased up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

- The institution certifies a loan and the student becomes ineligible prior to the disbursement from the THECB. The institution cancels the loan but the student later becomes eligible during the loan period. The institution can request, in writing through CONTACT US, that the loan be reinstated up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

- The institution certifies a loan and returns funds during the loan period to the THECB. The institution can request, in writing through CONTACT US, that the loan be reinstated up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

BOT Loan

As of 06/17/2019  Guidelines 2019-20  39
BOT loans have a 6-month grace period beginning on the date the student ceases to be enrolled at least half-time at an eligible institution. Repayment is scheduled to begin after the expiration of the 6-month grace period. The BOT loan has a 15-year repayment period or a minimum monthly payment of $75.00. BOT loans have a 0% interest rate (See 19 TAC, Section 22.339).

Deferments for education enrollment or periods of forbearance based on financial hardship are available.

**ALERT NEW: ANNUAL STUDENT LOAN DEBT DISCLOSURE (19 TAC, SECTION 21.45)**

All participating institutions must provide students with a letter, in an electronic format, estimating each student’s total loan obligations, at least once a year. The purpose of this letter is to provide students with timely information on their education loan debt so they can make informed decisions about student loan borrowing.

**Student loan debt disclosures must include:**
- All education loan debt from the National Student Loan Data System (NSLDS), as well as information that the institution may reasonably collect from its own records.
- Any estimates of the unpaid amount of state, federal, and other education loans obtained by the student (if reasonably available to the institution); the types of education loans must be identified for each total included.
- *An estimate of the total payoff amount or a range for that amount, including principal and interest.*
- *An estimate of monthly repayment amount, including principal and interest.*
- *At a minimum, institutions shall provide this information based on a 10-year repayment plan.*

Note: This guidance may change based on recent legislative activity; any necessary updates will be provided accordingly.

**FORGIVENESS REQUIREMENTS (19 TAC, SECTION 22.337)**

A BOT loan may be forgiven if the student provides the THECB an Application for Forgiveness. Section two of this form must be completed by the institutional Registrar’s office certifying that the student:

- Graduated with a B average, or a cumulative grade point average of at least 3.0 on a 4-point scale and:
  - Received a baccalaureate degree within four calendar years after the date the student initially enrolled in an eligible institution; or
  - Within five calendar years after the student initially enrolled in an eligible institution if the institution reports that the student graduated with a degree in architecture, engineering, or any other program that the institution certifies to the Board is a program that requires more than four years to complete; OR

  - Total number of hours earned includes transfer credit hours and excludes hours earned exclusively by examination, dual credit course hours, and hours earned for developmental coursework that an institution required the student to take under TEC, Section 51.336 (relating to Success Initiative).
The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 20 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY (19 TAC, SECTION 22.43) AND PURPOSE (19 TAC, SECTION 22.42)

The College Access Loan (CAL) Program is part of the Hinson-Hazlewood College Student Loan Program, authorized by TEC, Chapter 52, Subchapter A. Rules establishing procedures to administer the subchapter can be found in Title 19 of the TAC, Chapter 22, Subchapter C. The CAL Program provides alternative educational loans to Texas students who are unable to meet the Cost of Attendance (COA). The amount of federal aid that a student is eligible for (regardless of whether the funds are accepted) must be deducted from the COA in determining the CAL amount.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 22.45)

The following institutions and entities located in Texas are eligible to participate in the CAL Program:

- Public or private nonprofit institutions of higher education, including junior colleges, accredited by a recognized accrediting agency as defined in TEC, Section 61.003; OR
- Entities, including Regional Education Services Centers, approved by the State Board of Educator Certification to offer an alternative certification program.

AWARDING

Students may receive CAL funding to cover reasonable expenses only, not to exceed the Cost of Attendance (COA) (See 19 TAC, Section 22.49) and IRS Certification Requirements. When certifying a CAL, institutions are confirming that the amount of the requested loan is greater than $100 and does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible. The other forms of student assistance that must be considered when determining the amount of a CAL eligibility include:

- Free sources of student aid, such as gifts, grants and scholarships; AND
- The amount of any Federal Perkins loan and/or Federal Direct Stafford loan (including subsidized and unsubsidized) that a student borrower is eligible to receive. Eligibility for Federal PLUS loans should not be considered when determining the amount of CAL.

HELMNET LOAN PORTAL

THECB’s Higher Education Loan Management System (HELMS) allows institutions, students and cosigners to manage loan accounts through a secure online portal called HelmNet.

LOGIN PAGE

HelmNet Portal

- Institutions must submit a System Authorization Form to THECB to request access to certify a loan.
- Students and cosigners must each create an online account to apply for a loan or view the status of any loans with THECB.

CAL INTEREST RATE CHANGE

- Certified prior to May 1, 2019 will carry a fixed annual interest rate of 5.3%.
- Applications certified on or after May 1, 2019 will carry a fixed annual interest rate of 5.2%.
- Beginning January 31, 2019, borrowers who enroll in the Automatic Debit payment service, will receive a 0.25% interest rate reduction on the total interest rate of each applicable loan in repayment.
SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)

In accordance with TEC, 51.9095, male students may not receive financial assistance without filing a Selective Service Status Statement with their institution or other entity granting or guaranteeing the assistance. Financial assistance includes grants, scholarships, loans or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

When is a statement NOT required?
A Selective Service Status Statement is not required when a student’s registration is confirmed on the Institutional Student Information Record (ISIR). The confirmation on the ISIR will serve as the student’s signed statement since the Department of Education validates registration directly with the Selective Service System (SSS) through a database match for male students who complete the Free Application for Federal Student Aid (FAFSA).

When is a statement required?
• For a male student that completes a FAFSA but is flagged “not registered” on the ISIR, the institution must determine the student’s status.
  - If the student is registered, the institution must collect the status statement and proof of registration which can be used for subsequent semesters.
  - If the student is exempt, the institution must collect the status statement and proof of exemption based on the student’s circumstances. The institution can determine what additional documentation to collect to verify the exemption.
• For a male student that does not complete a FAFSA, the required status statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

ADDITIONAL INFORMATION

FREQUENCY COLLECTING THE STATEMENT
If the student’s status will NOT change, the statement and supporting documentation can be used for subsequent semesters (e.g., the individual entered the U.S. after the eligible age to register).

In the event the student’s status could change, the statement must be collected each academic year until the male student is registered or determined exempt (e.g., student is under 18).

METHOD FOR COLLECTING THE STATEMENT
The institution has discretion to determine how to collect this required status statement, which can be done electronically or on paper (e.g., online form, signed award letter, etc.).

RETENTION SCHEDULE
The status statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each status statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (See TAC, Section 22.4(a)(2)(A)).

REPROCESSED ISIRS
If the student’s most recent ISIR transaction has been reprocessed by the Central Processing System (CPS) and the registration with SSS was confirmed, the institution does not need to collect the status statement or any documentation.
Satisfactory Academic Progress (SAP) (19 TAC, Section 22.46)

A student must be meeting the minimum satisfactory academic progress (SAP) requirements of the institution in the semester any loan is made. Institutions have the flexibility to define what it means to meet SAP requirements. If a student is not meeting the institution’s SAP, a documented appeal process may be used to determine if the student is eligible for CAL. A student can receive a CAL if a SAP appeal has been approved by the institution.

PROCESSING FUNDS

CERTIFYING FUNDS

Institutions can certify eligible loans throughout the academic year on an as-needed basis. Funds will not be disbursed until the promissory note is signed by the borrower (and cosigner, when applicable) and the Financial Aid Administrator certifies the loan using the following two methods:

- Certify the loan through the HelmNet loan portal; OR
- Submit a Commonline Loan Certification File using the MOVEit DMZ secure file transfer portal.

LOAN PROCESS FLOW

Below is the loan process flow that occurs when a borrower completes a CAL application:

The earliest a loan can be disbursed is 11 business days after the LCD is mailed to borrower.
RETURNING PROGRAM FUNDS

A Return of Funds Form (RFF) must be submitted and approved before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs (SFAP) Information Webpage under Online Resources.

STOP: TIMELY DISTRIBUTION OF FUNDS (19 TAC, Section 22.2)

- Institutions have 3 business days after receiving the funds to apply the funds to a student’s account.
- Institutions have 6 business days after receiving the funds to return undisbursed funds.
- Institutions have 45 calendar days from the date a student becomes ineligible to return disbursed funds.
- Institutions have 120 calendar days to return funds after a student has notified the institution of a decision to cancel the award.

REQUESTING LOAN CHANGES

A CAL can never exceed the amount certified by the institution but there are several common situations where a CAL can be increased. Loan changes can be requested in writing through the CONTACT US link found on the SFAP webpage.

- The institution certifies a loan and the student cancels all or part of the loan but later ends up needing the money during the loan period. The institution can request, in writing through CONTACT US, that the loan be increased up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

- The institution certifies a loan and the student becomes ineligible prior to the disbursement from the THECB. The institution cancels the loan but the student later becomes eligible during the loan period. The institution can request, in writing through CONTACT US, that the loan be reinstated up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

- The institution certifies a loan and returns funds during the loan period to the THECB. The institution can request, in writing through CONTACT US, that the loan be reinstated up to the original certification amount. The institutions must confirm that the loan does not exceed the difference between the student’s COA and other forms of financial assistance for which the student is eligible.

A CAL cannot be increased in the following situation:

- The institution certifies LESS than what the student was pre-approved to borrow. The student ends up needing more money after certification (ex. additional tuition and fees) and wants to increase his or her current loan amount. The loan amount CANNOT be increased beyond the certified amount by the institution even though the student may have been pre-approved for more than what was certified.

STOP: REINSTATING CANCELED LOANS

Institutions can send a request in writing to reinstate a canceled loan or disbursement through CONTACT US. Requests received more than 60 days after the end of the loan period will not be processed.

Common reasons why loans are canceled by the THECB:

- Student did not approve the Loan Acceptance Disclosure (LAD) within 45 days of loan certification.
- Student was reported by the National Student Clearinghouse (NSC) database as enrolled less than half time.
- Student contacted the THECB and canceled the loan without informing the institution.

REPAYMENT

The CAL has a 6-month grace period beginning on the date the student ceases to be enrolled at least half-time at an eligible institution. Repayment is scheduled to begin after the expiration of the 6-month grace period (See 19 TAC, Section 22.53). All loans have a minimum monthly repayment amount of $50. There is a maximum repayment period of 10 years for loans with a principal balance under $30,000, and a maximum repayment period of 20 years for loans with a principal balance of $30,000 or more. If the balance is greater than $30,000 at the time the account initially enters repayment, the monthly payment amount must be enough to pay off the entire debt in no more than 20 years. The CAL will not be sold to another lender.

![Alert New: Annual Student Loan Debt Disclosure (19 TAC, Section 21.45)]

All participating institutions must provide students with a letter, in an electronic format, estimating each student’s total loan obligations, at least once a year. The purpose of this letter is to provide students with timely information on their education loan debt so they can make informed decisions about student loan borrowing.

Student loan debt disclosures must include:

- All education loan debt from the National Student Loan Data System (NSLDS), as well as information that the institution may reasonably collect from its own records.

TCWS Program participants can only work part-time. Hours worked may vary according to a student’s TCWS award amount and the employer’s definition of a part-time employee (see TEC, Section 56.076(1)).
SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)

In accordance with TEC, 51.9095, male students may not receive financial assistance without filing a Selective Service Status Statement with their institution or other entity granting or guaranteeing the assistance. AWARDING

Institutions must use the TCWS allocation for employment during the nine-month academic year (fall and spring terms). A TCWS award, which includes state and employer matching funds, cannot exceed the student’s calculated need.

Each participating institution must ensure that at least 20 percent, but no more than 50 percent, of the employment positions provided through the TCWS Program in an academic year are off-campus through an eligible employer (See 19TAC, Section 22.131).

For Example: If an institution’s TCWS funding covers 10 positions, the institution would need to ensure that at least 2 (minimum), but no more than 5 (maximum), are off-campus.

10 Total Positions X 20% = 2 Off-Campus Positions - Minimum
10 Total Positions X 50% = 5 Off-Campus Positions - Maximum

OVER AWARDS (19 TAC, SECTION 22.132)

If, after an award has been offered, a student receives other assistance that exceeds the student's financial need, the institution is not required to adjust the award unless the sum of the excess resources is greater than $300.

SUMMER AWARDS (19 TAC, SECTION 22.133)

Institutions are required to utilize the original state work-study allocation of funds for employment during the nine-month academic year (fall and spring terms). Institutions may use reallocated funds for summer awards. Funds for summer awards must be expended by August 31 of the current fiscal year.

REQUIRED MATCHING (19 TAC, SECTION 22.131)

Participating for-profit employers must:

- Provide at least 50 percent of an employed student's wages and 100 percent of other employee benefits for the employed student.

Participating non-profit employers must:

- Provide at least 25 percent of an employed student's wages and 100 percent of other employee benefits for the employed student from sources other than federal college work-study program funds, unless institutions are eligible for a waiver of matching funds. Institutions that are eligible for Title III funds from the U.S. Department of Education (ED) are exempt from the TCWS requirement that nonprofit employers provide 25% of an employed student's wages. To qualify for this exemption, institutions must submit a current copy of the Title III eligibility letter to the THECB.

PROCESSING FUNDS

REQUESTING PROGRAM FUNDS

At the start of the fiscal year, each participating institution’s full allocation of funds will be disbursed. Funds for public universities, Health-Related Institutions (HRIs) and technical institutes will be transferred to each institution’s cost center at the Comptroller’s Office. Funds for community colleges and private/independent institutions will be sent to each institution’s designated bank or other fiduciary institution, via direct deposit or Automated Clearing House (ACH).
RETURNING PROGRAM FUNDS

Unused funds must be returned to the THECB after the end of the spring term. A Return of Funds Form (RFF) must be submitted before any funds are returned to the THECB. This form is available on the Student Financial Aid Programs Information Webpage under Online Resources.

AUTHORITY TO TRANSFER FUNDS (19 TAC, SECTION 22.135)

Institutions participating in a combination of TCWS, TEXAS Grant, TEOG, and TEG may transfer up to 10% of the institution’s total annual program allocation or $20,000 (whichever is less) between programs within the relevant fiscal year. Institutions requesting a transfer between programs must submit an online inquiry by the deadline listed below through CONTACT US (select the “Financial Aid Question” option in the drop-down selection under Contact Reason). The Financial Aid Services staff will respond to the institution to provide next steps for the process.

WORK-STUDY STUDENT MENTORSHIP PROGRAM

The Texas Higher Education Coordinating Board (THECB) Work-Study Student Mentorship Program (WSMP) Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

PROGRAM AUTHORITY & PURPOSE (TEC, SECTION 56.079 AND 19 TAC, SECTION 4.191)

The Work-Study Student Mentorship Program (WSMP) is authorized by TEC Chapter 56, Subchapter E, Section 56.079. Rules establishing procedures to administer the program can be found in Title 19 of the TAC, Chapter 4, Subchapter J. The purpose of the mentorship program is to provide employment to eligible students with financial need to mentor, tutor, or advise college students at participating institutions of higher education or high school students within local school districts and nonprofit organizations. The primary goal of the program is to improve student access, success, and completion of higher education. These student mentorship positions are funded by a combination of state appropriations provided by the Texas College Work-Study (TCWS) Program and matching funds from participating institutions.

STATE PRIORITY DEADLINE (TEC, SECTION 56.008 AND 19 TAC, SECTION 22.6)

The THECB provides a uniform priority deadline for applications that qualify for state-funded financial assistance in an academic year. General Academic Teaching Institutions (GATIs) in Texas, as defined in TEC, Section 61.003(3), must publicize and use January 15 as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. Institutions may define how their students must meet the priority deadline and are encouraged to adopt a policy describing the actions that students must take to meet the deadline.

ELIGIBLE INSTITUTIONS (19 TAC, SECTION 4.194)

Any public, private, or independent institution of higher education as defined in TEC, Section 61.003, except theological or religious seminary institutions, is eligible to participate in the WSMP.
PARTICIPATION REQUIREMENTS

INSTITUTION REQUIREMENTS (19 TAC, SECTION 4.194)

To participate, an eligible institution must establish a Work-Study Student Mentorship Program designed to improve student access, success, and completion of higher education. Programs must be structured to offer on-campus or off-campus mentoring, tutoring, or advising services. Institutions implementing programs on-campus should make every effort to incorporate services to underrepresented students.

Institutions that implement an off-campus program to serve local high school students must partner with school districts and nonprofit organizations through a Memorandum of Understanding (MOU). The MOU agreement details the roles and responsibilities of each participating entity and must be in place prior to program implementation. The institution must provide a copy of the MOU to the THECB. (See Sample MOU.)

Each Work-Study Student Mentorship Program must provide the following:

- Part-time employment to eligible students as mentors, tutors, or advisors
  - Salary requirements:
    - Minimum of $10 an hour
    - Maximum of 20 hours per week
  - Training as determined by the THECB

MENTOR TRAINING REQUIREMENTS

Participating institutions must ensure that WSMP award recipients receive training that covers the following topics:

- Overview of 60x30TX Strategic Plan and the role the recipient will play to help meet the goals and objectives of the plan.
- Overview of general knowledge around college access and completion.
- Personal, public, economic, and societal benefits of higher education.
- Specific information about applying to college, including college exploration, the admission process, authoring personal essays, completing the financial aid process, and submitting college application form.

WSMP ACTIVITY EXAMPLES

- Provide information to high school students about higher education, including the college selection process, the application process, and financial aid options.
- Assist students in finding and using appropriate resources, such as the College for All Texans website.
- Assist students in completing the Free Application for Federal Student Aid (FAFSA), ApplyTexas application, or other college applications.
- Assist in special outreach events, such as College Nights or FAFSA Saturdays.
- Assist college students with academic tutoring or mentoring.
- Assist with student interventions focused on increasing completion of degrees or certificates, such as interventions occurring through peer advising or supplemental instruction.
- Establish a student and parent outreach center through community partnerships and provide tools and information to help families make decisions about going to college.
TO RECEIVE A WSMP AWARD, A STUDENT MUST:

- Be classified by the institution as a Texas resident
- Be registered with Selective Service, or be exempt
- Have financial need
- Be enrolled at least 1/2 time at the participating institution, in a plan leading to a degree or certification
- Not be a recipient of an athletic scholarship (i.e., the student is obliged to play an intercollegiate sport as a condition of receiving the scholarship) during any semester the student is awarded WSMP funds
- Not be enrolled in a seminary or other program leading to ordination or licensure to preach for a religious sect or to be a member of a religious order
SELECTIVE SERVICE STATEMENT (19 TAC, SECTION 22.3)

In accordance with TEC, 51.9095, male students may not receive financial assistance without filing a Selective Service Status Statement with their institution or other entity granting or guaranteeing the assistance. Financial assistance includes grants, scholarships, loans, or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

**When is a statement NOT required?**

A Selective Service Status Statement is not required when a student’s registration is confirmed on the Institutional Student Information Record (ISIR). The confirmation on the ISIR will serve as the student’s signed statement since the Department of Education validates registration directly with the Selective Service System (SSS) through a database match for male students who complete the Free Application for Federal Student Aid (FAFSA).

**When is a statement required?**

- For a male student that completes a FAFSA but is flagged “not registered” on the ISIR, the institution must determine the student’s status.
  - If the student is registered, the institution must collect the status statement and proof of registration, which can be used for subsequent semesters.
  - If the student is exempt, the institution must collect the status statement and proof of exemption based on the student’s circumstances. The institution can determine what additional documentation to collect to verify the exemption.
- For a male student that does not complete a FAFSA, the required status statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.

**Required Statement of Selective Service Status**

Are you currently registered for Selective Service, as required by federal law?

[ ] Registered  [ ] Not Registered  [ ] Exempt

(Proof of registration required)  (Documentation required)

I, ____________________, hereby certify that the selective service status provided is true and correct. I understand that I must provide documentation if requested by my institution that I may be required to complete a new statement for each academic year for continued eligibility.

__________________________  ______________________
Student Signature  Date

**Additional Information**

**FREQUENCY COLLECTING THE STATEMENT**

If the student’s status will NOT change, the statement and supporting documentation can be used for subsequent semesters (e.g., the individual entered the U.S. after the eligible age to register).

In the event the student’s status could change, the statement must be collected each academic year until the male student is registered or determined exempt (e.g., student is under 18).

**METHOD FOR COLLECTING THE STATEMENT**

The institution has discretion to determine how to collect this required status statement, which can be done electronically or on paper (e.g., online form, signed award letter, etc.).

**RETENTION SCHEDULE**

The status statement and all documentation must be retained in the student’s record and be made available if requested during a program review or audit. Each status statement collected must be retained with the student’s records for 7 years after the date of completion for the applicable award period (TAC, Section 22.4(a)(2)(A)).

**REPROCESSED ISIRS**

If the student’s most recent ISIR transaction has been reprocessed by the Central Processing System (CPS) and the registration with SSS was confirmed, the institution does not need to collect the status statement or any documentation.
AWARDING

In determining who should receive a WSMP award, a student’s financial need must be calculated.

CALCULATING AWARD AMOUNTS

STOP: Funds awarded to the employed student are considered financial aid for the academic year in which the funds are earned and therefore cannot exceed the student’s financial need.

Financial Need is defined as the cost of attendance (COA) minus the expected family contribution (EFC).

Example 1:

10,000 (COA) – 3,000 (EFC) = $7,000 (Financial Need)

In this example, the student has financial need and may be eligible for a WSMP award of up to $7,000 for the academic year.

Example 2:

10,000 (COA) – 15,000 (EFC) = -$5,000 (No Financial Need)

In this example, the student has no financial need and is not eligible for a WSMP award for the academic year.

REQUIRED MATCHING (TEC, SECTION 56.079)

Participating institutions must provide at least a 10% match of total employed student wages. In addition, institutions are required to fund 100% of a student’s employee benefits. Institutional funds for the match and employee benefits must come from sources other than federal college work-study.

Institutions that are eligible for Title III funds from the U.S. Department of Education are exempt from the WSMP requirement of providing a minimum 10% match of a WSMP-employed student’s total wages. To qualify for this exemption, institutions must submit a current copy of the Title III eligibility letter to the THECB.

STOP: To ensure compliance with program requirements, the THECB will conduct desk reviews and site visits. For information regarding records and retention, please refer to section 4.13 within the signed MOUs.
PROCESSING FUNDS

ALLOCATIONS (19 TAC, SECTION 4.195)

At the start of the fiscal year, each participating institution’s full allocation of funds for WSMP will be disbursed. Funds designated for public universities, health-related institutions (HRIs), and technical institutes will be transferred to each institution’s cost center at the Comptroller’s Office. Funds for community colleges and private/independent institutions will be sent to each institution’s designated fiduciary institution, via Electronic Funds Transfer (EFT).

WSMP funds may be issued to eligible students throughout the academic year, including summer. Funds may be used only for the salaries and fringe benefits of eligible student mentors, tutors, or advisors. Each biennium, funds not expended by the institution in the first year can be carried forward for use in the second year. Any funds not expended in the second year of the biennium must be returned to the THECB. Although the WSMP has carry forward authority, every effort should be made to expend funds within the same year that the funds are disbursed to the institution.

Example: Carry Forward During the 2020-2021 Biennium

FY 2020
- State Fiscal Year begins September 1, 2019 and ends August 31, 2020
- Unexpended FY 2020 funds can be carried forward into FY 2021

FY 2021
- State Fiscal Year begins September 1, 2020 and ends August 31, 2021
- All funds for the biennium (including any carry-forward funds from FY 2020) must be expended by August 31, 2021

Note: A biennium is defined as a two-year state budget period.
REPORTING REQUIREMENTS (19 TAC, SECTION 4.196)

Participating institutions must report to the THECB the progress made by students being assisted through the WSMP. To comply with the Family Educational Rights and Privacy Act (FERPA), participating institutions must have authority to gather, review, and report to the THECB appropriate data from all partners for evaluation purposes. Reports will be submitted through a secure online portal. Failure to meet the program reporting requirements may result in the loss of funding.

To meet the reporting requirements, institutions must submit a Financial Expenditure Report and a Data Report that collects aggregate information. Samples of the report templates are provided on the Quick Reference page under Available Forms. The Data Report template includes a Program Overview tab and an Activity Summary and Persistence Data tab within the spreadsheet.

Persistence Data includes each of the following:

- Number of students employed as mentors, tutors, or advisors in the preceding year.
- Number of college students from the participating institution receiving mentoring, tutoring, or advising in the preceding year.
- Number of high school students receiving mentoring, tutoring, or advising from students of the participating institution in the preceding year.
- Information relating to the costs of the program.
- The academic progress made by each of the following in the preceding year:
  - Students of the participating institution receiving mentoring, tutoring, or advising
  - High school students receiving mentoring, tutoring, or advising from students of the participating institution

The table below shows the due dates for the required reports. If the due date falls on a holiday or a weekend, reports are due on the following business day.

**For example:**

Institution Current Tuition Rate per SCH = $550  
Institution SACS Level = 3

To calculate tuition differential for an undergraduate student who enrolled in 12 SCH in the fall and 12 SCH in the spring, the institution would report the following:

\[
\text{Difference} = \text{Institution Current Tuition} - \text{SACS Avg.}
\]

\[
\text{Tuition Diff.} = \text{Difference} \times \text{Semester Credit Hours}
\]

\[
\text{Tuition Diff.} = (550 - 195) \times 24 = 355 \times 24 = 8,520
\]
